SUBJECT: CONSIDERATION TO FUND A TARRANT COUNTY INFORMATION TECHNOLOGY STEERING COMMITTEE PROJECT FOR THE PROCUREMENT OF A RISK CLAIM MANAGEMENT SOFTWARE FOR THE BUDGET AND RISK MANAGEMENT DEPARTMENT

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that Commissioners Court approve funding in the amount of \$137,250.00 from account 45400-2025 for the procurement of a Risk Claim Management Software for the Budget and Risk Management Department.

BACKGROUND

Budget and Risk Management requested Information Technology to procure a solution to support managing their Auto, Liability, and Property Claims. Following analysis and with the assistance of Purchasing, Information Technology has determined that private sector vendors can meet the requirements of Budget and Risk Administration for the funding amount requested.

On October 30, 2024, the Tarrant County ITSC recommended that this project move to an Active state, pending Commissioners Court approval of the funding of the project.

FISCAL IMPACT

The fiscal impact to Tarrant County associated with this action is projected to be \$137,250.00 in fiscal year 2025. IT strategic project funding is budgeted in 45400-2025 Capital Improvement Fund/1810220000 IT Project Management Office/595055 Undesignated. Upon approval of this item, an appropriation adjustment transferring funds from the undesignated account to the approved project will be prepared for a future Commissioners Court.
