*Pricing Assumptions*

- Prices are good for 90 days without a signed Agreement.
- Pricing is all inclusive of required services, including all labor, equipment, supplies, and transport services.
- All pricing is based on a Good Faith Estimate of page and image counts. Pricing is also dependent on levels of condition of condition at time of initial assessment. Final billing occurs on actual counts per mutually agreed upon unit pricing; not to exceed the P.O. without authorization. Pricing subject to change per Kofile Assessment, if the inventory does not meet the expected level of service outlined herein.
- Please note that if any records require mold remediation, then that service requires additional pricing.
- A page is defined as one side of a sheet of paper. One sheet contains two pages. Each page is considered an image unless the page contains multiple record entries. In those instances, the page is separated into separate images (documents). Blank pages are not imaged, unless otherwise directed by the County Clerk. Amendments and attachments are charged as pages.
- Items are considered oversized if the shortest sheet edge measures >12" may incur additional charges.
- Please note that the (IM) Archival Imaging pricing herein is conditional on conjunction with Preservation Services. Otherwise, Imaging pricing is subject to additional charges to account for bound (sewn) volume capture, as applicable.
- Images are formatted for the appropriate records management system. However, the pricing herein does not include any associated load fees. These are the responsibility of the County.
- The County Clerk signs off on an inventory prior to commencement of services, and upon acceptance of deliverables.

*Payment Schedule & Terms & Conditions*

- This proposal shall be governed by the terms and conditions located in Appendix B, except the TXMAS terms and conditions remain in effect and to the extent they conflict, the TXMAS terms will control.
- Billing occurs periodically per the work completed.

## SCOPE OF WORK DEFINED

Records receive the following services as identified. If requested, Kofile holds a security copy of all digital images and metadata for safekeeping. Kofile does not sell, distribute, or grant unauthorized access to County records.

### (PRV) Preservation—*Conserve, Treat, Mend & Repair, Deacidify, Encapsulate, & Bind*

- Kofile creates a permanent log (noting condition, pagination, characteristics, and treatments) for each item upon receipt. Items are inspected and control numbered as necessary. A final quality check references this log.
- Surface clean sheets to remove deposits. This includes dust, soot, airborne particulate, sedimentation, insect detritus, or even biological/mineral contaminants. Tools include a microspatula, dusting brush, latex sponge, powdered vinyl eraser, or block eraser.
- Remove non-archival repairs or fasteners, such as residual glues. All tape and previous mends to be removed to the extent possible without causing damage to paper and inks.
- Humidify and flatten as necessary to eliminate the possibility of unnecessary fractures or breaks. Tools to 'flatten' include tacking irons, heat presses, and an Ultrasonic Humidification Chamber.
- Mend tears with archival, acid free, and reversible materials. Mending is accomplished with either Japanese tissue and methyl cellulose adhesive, or an acrylic based and heat set tissue.
- Deacidify each side of each sheet after careful testing with a custom solution of magnesium oxide, which neutralizes acidic inks and paper by providing an alkaline reserve. Random testing ensures an 8.5 pH with a deviation of no more than  $\pm .5$ .
- Encapsulate each sheet in a *Lay Flat Archival Polyester Pocket™* composed of Skyroll SH72S® Mylar and includes a patented lay flat design. Dimensions match the "book block" dimensions, with a 1¼" binding margin.
- Bind in custom-fitted *Heritage Recorder* or *Disaster Safe County Binder™* (DSB). Each binder is manufactured on a per-book basis and sized to 1/4" incremental capacities. A dedication/treatment report is included.
- Tabs are replaced or repaired, as needed, and identified herein.

### (IM) Archival Digitization—*Image Capture, Processing, & Enhancements*

- Capture images at a minimum of 300 dpi at 256 gray levels, ensuring the highest quality for poor contrast and legibility. Gray-scale ensures optimum resolution for each page.
- Images accumulate as Group IV bi-tonal images in a standard PDF or TIFF format [multi-page].
- IMAGE PERFECT, Kofile's proprietary software, ensures the optimum image quality with custom image clean up and enhancements such as deskew, despeckle, character repair, polarity reversal, and zonal processing.
- Crop excess blank space around image. This may involve manual cropping to insure best quality image.
- Images are named (tagged for the directory file structure) by Book/Volume/Page.
- Images are grouped (stapled) together to form documents.
- When multiple documents exist on a single page, images are split so that each document is viewable individually.
- Images are stitched if entries horizontally span the length of more than one page.
- If requested, annotations are supported to allow the electronic addition (Book/Volume/Page) on the digital image to assist in recording keeping.
- Page Validation (automated PG. numbering for validation).
- Each image is certified and sight-checked to ensure there are no missing pages, double feeds, and to account for "A" pages (added to the original).
- The County receives a MASTER (e.g., CD, DVD, ftp, flash drive) in a medium suitable to the project size.
- Images are optimized and scaled for system output.

# APPENDIX B. TERMS AND CONDITIONS

## KOFILE STANDARD TERMS AND CONDITIONS FOR GOODS AND SERVICES

Last Revised Date May 25, 2022

Welcome to Kofile Technologies, Inc., ("KOFILE"). Kofile is a Delaware corporation with a business address of 6300 Cedar Springs Road, Dallas, Texas 75235.

These Standard Terms and Conditions ("Terms") are incorporated into and a part of the contract between Kofile and the Customer under which Kofile provides services or products (collectively "Services") to a Customer. A Customer is the governmental entity or company which has executed an Agreement with Kofile for Services. Customer and Kofile may each be referred to as a "Party" and together the "Parties."

### 1. Agreement

The Agreement means the contract between a Customer and Kofile consisting of these Terms and any proposal, purchase order, or sales order ("Proposal") signed by a Customer which incorporates these Terms. Except as agreed to in writing by the Parties, the Agreement does not include any other terms and conditions included in any purchase orders or other documents related to the Proposal made or accepted by the Customer. In the event there are conflicting terms between the Terms and Proposal, these Terms will control unless expressly provided for otherwise in the Proposal.

### 2. Scope and Timing of Services

During the term of the Agreement, Kofile will provide Customer with Services outlined and set forth in the Proposal. Unless otherwise specified in the Proposal, Kofile will arrange for the transportation of the Customer records for Service as necessary and Kofile may use third parties to provide certain portions of the Services. Kofile will use reasonable efforts to complete the Services within the time-period(s) indicated in a Schedule or as otherwise agreed to by the parties.

### 3. Term

The Agreement will become effective on the date ("Effective Date") the Proposal is fully signed by an authorized representative of both parties and will remain in effect for the term identified in the Proposal ("Initial Term"). If no term is identified in the Proposal, the Agreement will remain in effect until any of the following occurs: a) delivery of product(s) or completion and acceptance by Customer of Services; b) or is terminated by either party.

### 4. Termination

This Agreement is subject to termination for convenience and without penalty by either party with no less than thirty (30) days written notice to the other party. Either party may terminate this Agreement for a material breach of the other party if such breach remains uncured after ten (10) days written notice to the other party. Kofile will use reasonable efforts not to incur additional fees upon notice of termination. Customer will be responsible for payment of all Services

performed through the termination date.

## 5. Payment Terms

a. Fees. Customer will timely pay all undisputed amounts required under the Agreement. Kofile's Proposal pricing is provided as good faith estimate of cost based upon information about the project provided to or understood by Kofile. Actual pricing may vary based upon the actual quantity and condition of records as determined after a full assessment performed by Kofile once it receives the Records. As a result, actual price may vary from an estimated price listed in a Proposal. Kofile will notify Customer within a reasonable period of time from when it determines actual price will exceed an estimated price.

b. Invoicing and Payment. Payment is due upon completion and delivery of each project phase; and b) Customer will pay all invoiced amounts due within 30 days of the date on the applicable invoice. Customer is responsible for providing complete and current billing and contact information.

c. Taxes. Fees do not include any taxes, levies, duties, or similar assessments of any kind including value-added, sales, use or withholding taxes ("Taxes"). Unless indicated otherwise in the Proposal, Customer is exempt from Taxes and can provide an exemption certificate or citation to legal authority outlining Customer's tax-exempt status. Kofile is responsible for taxes assessed against Kofile based on its income, property, or employees.

d. Suspension. Kofile may suspend provision of Services to Customer if Customer does not pay in full any undisputed balance within sixty (60) days of the date of an invoice until Customer satisfies any undisputed.

## 6. Appropriation

The obligations of Customer under the Agreement are expressly contingent upon the availability of funding. In the event Customer is unable to fulfill its obligations under this Agreement as a result of lack of sufficient funding, Customer may terminate this Agreement by written notice to Kofile. Notwithstanding the foregoing, Customer is responsible for and shall pay for all Services performed up through and including the date of termination.

## 7. Indemnification

Kofile shall defend, indemnify, and hold harmless the Customer and its officers, agents, and employees, from any and all losses, claims, demands, damages, injuries, causes of action, assessments, penalties, costs, expenses, judgments, or other liabilities (collectively "Claims") arising directly out of Kofile's negligent performance of any Services provided pursuant to this Agreement. Kofile's indemnification obligation shall only exist for the Term of this Agreement. Nothing in this Agreement shall be construed to require Kofile to provide indemnification for Claims (a) arising out of or otherwise related to, in whole or in part, the negligence or willful misconduct of the Customer or (b) concerning or otherwise related to the accuracy or inaccuracy, content, or omission of any information provided by, or on behalf of, Customer to Kofile.

## 8. Limitation of Liability

a. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY CLAIMS, PENALTIES OR DAMAGES, WHETHER IN CONTRACT, TORT, OR BY WAY OF INDEMNIFICATION, IN AN AMOUNT EXCEEDING THE FEES PAID BY CUSTOMER TO KOFILE IN THE MOST RECENT TWELVE (12) MONTHS.

b. UNDER NO CIRCUMSTANCES WILL EITHER PARTY TO THIS AGREEMENT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, INTRINSIC VALUE, OR SPECIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, HOWEVER CAUSED AND BASED ON ANY THEORY OF LIABILITY. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

## 9. Insurance

Kofile shall maintain in full force and effect, for the term of this Agreement, the following types of insurance: (a) Commercial General Liability insurance of not less than \$2,000,000.00 each occurrence, and \$2,000,000.00 in the aggregate, (b) Automobile Liability insurance of not less than \$2,000,000.00 combined single limit, (c) Errors and Omissions Liability insurance of not less than \$5,000,000.00, and (d) Workers' Compensation insurance meeting or exceeding the statutory requirements, and Cyber/Privacy insurance of not less than \$5,000,000.00. A Certificate of Insurance confirming these coverages and limits will be provided to the Customer upon request. Customer will be listed as an additional insured on the commercial general liability and automobile coverage policies solely to the extent (a) of the required insurance limits and (b) of the risks and liabilities assumed by Kofile in this Agreement. Kofile shall cause insurer to furnish to Customer future certificate(s) evidencing the insurance described herein at any time upon request. Kofile will provide Customer with no less than thirty (30) days' notice of any material change, notice of non-renewal or cancellation.

## 10. Confidentiality

a. Subject to legal process and any public records request laws, information disclosed by or otherwise obtained from a party ("Disclosing Party") to or by the other party ("Receiving Party"), designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, will be maintained in confidence by the Receiving Party. Customer will provide Kofile sufficient notice of any public records request pertaining to Kofile information to allow Kofile time to identify to Customer any applicable exemptions to disclosure for Customer's consideration.

b. Confidentiality Safeguards. Kofile will maintain appropriate physical, administrative and technical safeguards to protect Confidential Information constituting non-public personal information provided to it by Customer. Kofile will only use and disclose non-public information to its employees, agents, or subcontractors for the purpose of providing Service subject to the terms of the Agreement. Kofile will be permitted to compile and use aggregated or anonymized data from certain Services for Kofile's business purposes provided Customer is not identified as the source of such data. Upon creation, Kofile will be the owner of any aggregated or anonymized data and may copy,

comingle, and use such data for analytics, improving our services, or any other lawful purpose.

c. Healthcare Information. Personal healthcare information (PHI) and other healthcare information may be subject to regulations including the Health Insurance Portability and Accountability Act ("HIPAA"). HIPAA may require the parties to enter into a business associate agreement ("BAA") regarding PHI. Unless indicated otherwise in the Proposal, Customer represents it is not a covered entity as defined by HIPAA and will not provide healthcare records subject to HIPAA without prior notice to Kofile so the parties may determine whether a BAA is required.

## 11. Customer Property

All Customer property, including Records, sent to Kofile by Customer will remain the property of Customer. Upon written request, Kofile will return to Customer any Customer property it may possess or control. Kofile may destroy any electronic images or copies of Customer property ninety (90) days after the completion of the Services unless otherwise agreed upon by the parties. Kofile will provide Customer reasonable access to, or copies of, Records upon request while in the custody or control of Kofile.

## 12. Service Warranty

Kofile warrants to the Customer that all Services provided under this Agreement will be performed in a manner consistent with or greater than that degree of care, qualification, and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the time the Services were performed. If any work is reasonably determined by Customer to be less than professional quality, Kofile will correct such work without charge. This warranty extends for ninety (90) business days past termination or expiration of this Agreement. This warranty is limited to reworking of the unsatisfactory product without change to the original specifications and without regard to the amount of effort expended on the original work product.

THE GOODS AND SERVICES ARE PROVIDED ON AN "AS-IS" AND "AS AVAILABLE" BASIS. EXCEPT FOR THE SERVICE WARRANTY PROVIDED HEREIN, KOFILE AND ITS AFFILIATES AND AGENTS: 1) EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUALITY, ACCURACY, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE; 2) DO NOT WARRANT THAT ACCESS TO GOODS AND SERVICES WILL BE UNINTERRUPTED, ERROR-FREE OR SECURE, OR THAT ANY INFORMATION, SOFTWARE, OR OTHER MATERIAL ACCESSIBLE OR PROVIDED THROUGH SERVICES IS ACCURATE, COMPLETE OR FREE OF VIRUSES OR OTHER HARMFUL CONTENTS OR COMPONENTS; 3) SHALL IN NO EVENT BE LIABLE FOR ANY INACCURACY, ERROR, OMISSION, OR LOSS, INJURY OR DAMAGE (INCLUDING LOSS OF DATA) CAUSED IN WHOLE OR IN PART BY FAILURES, DELAYS, OR INTERRUPTIONS OF CUSTOMER.

*Pricing Assumptions*

- Prices are good for 90 days without a signed Agreement.
- Pricing is all inclusive of required services, including all labor, equipment, supplies, and transport services.
- All pricing is based on a Good Faith Estimate of page and image counts. Pricing is also dependent on levels of condition of condition at time of initial assessment. Final billing occurs on actual counts per mutually agreed upon unit pricing; not to exceed the P.O. without authorization. Pricing subject to change per Kofile Assessment, if the inventory does not meet the expected level of service outlined herein.
- Please note that if any records require mold remediation, then that service requires additional pricing.
- A page is defined as one side of a sheet of paper. One sheet contains two pages. Each page is considered an image unless the page contains multiple record entries. In those instances, the page is separated into separate images (documents). Blank pages are not imaged, unless otherwise directed by the County Clerk. Amendments and attachments are charged as pages.
- Items are considered oversized if the shortest sheet edge measures >12" may incur additional charges.
- Please note that the (IM) Archival Imaging pricing herein is conditional on conjunction with Preservation Services. Otherwise, Imaging pricing is subject to additional charges to account for bound (sewn) volume capture, as applicable.
- Images are formatted for the appropriate records management system. However, the pricing herein does not include any associated load fees. These are the responsibility of the County.
- The County Clerk signs off on an inventory prior to commencement of services, and upon acceptance of deliverables.

*Payment Schedule & Terms & Conditions*

- This proposal shall be governed by the terms and conditions located in Appendix B, except the TXMAS terms and conditions remain in effect and to the extent they conflict, the TXMAS terms will control.
- Billing occurs periodically per the work completed.

## SCOPE OF WORK DEFINED

Records receive the following services as identified. If requested, Kofile holds a security copy of all digital images and metadata for safekeeping. Kofile does not sell, distribute, or grant unauthorized access to County records.

### (PRV) Preservation—*Conserve, Treat, Mend & Repair, Deacidify, Encapsulate, & Bind*

- Kofile creates a permanent log (noting condition, pagination, characteristics, and treatments) for each item upon receipt. Items are inspected and control numbered as necessary. A final quality check references this log.
- Surface clean sheets to remove deposits. This includes dust, soot, airborne particulate, sedimentation, insect detritus, or even biological/mineral contaminants. Tools include a microspatula, dusting brush, latex sponge, powdered vinyl eraser, or block eraser.
- Remove non-archival repairs or fasteners, such as residual glues. All tape and previous mends to be removed to the extent possible without causing damage to paper and inks.
- Humidify and flatten as necessary to eliminate the possibility of unnecessary fractures or breaks. Tools to 'flatten' include tacking irons, heat presses, and an Ultrasonic Humidification Chamber.
- Mend tears with archival, acid free, and reversible materials. Mending is accomplished with either Japanese tissue and methyl cellulose adhesive, or an acrylic based and heat set tissue.
- Deacidify each side of each sheet after careful testing with a custom solution of magnesium oxide, which neutralizes acidic inks and paper by providing an alkaline reserve. Random testing ensures an 8.5 pH with a deviation of no more than  $\pm .5$ .
- Encapsulate each sheet in a *Lay Flat Archival Polyester Pocket™* composed of Skyroll SH72S® Mylar and includes a patented lay flat design. Dimensions match the "book block" dimensions, with a 1¼" binding margin.
- Bind in custom-fitted *Heritage Recorder* or *Disaster Safe County Binder™* (DSB). Each binder is manufactured on a per-book basis and sized to 1/4" incremental capacities. A dedication/treatment report is included.
- Tabs are replaced or repaired, as needed, and identified herein.

### (IM) Archival Digitization—*Image Capture, Processing, & Enhancements*

- Capture images at a minimum of 300 dpi at 256 gray levels, ensuring the highest quality for poor contrast and legibility. Gray-scale ensures optimum resolution for each page.
- Images accumulate as Group IV bi-tonal images in a standard PDF or TIFF format [multi-page].
- IMAGE PERFECT, Kofile's proprietary software, ensures the optimum image quality with custom image clean up and enhancements such as deskew, despeckle, character repair, polarity reversal, and zonal processing.
- Crop excess blank space around image. This may involve manual cropping to insure best quality image.
- Images are named (tagged for the directory file structure) by Book/Volume/Page.
- Images are grouped (stapled) together to form documents.
- When multiple documents exist on a single page, images are split so that each document is viewable individually.
- Images are stitched if entries horizontally span the length of more than one page.
- If requested, annotations are supported to allow the electronic addition (Book/Volume/Page) on the digital image to assist in recording keeping.
- Page Validation (automated PG. numbering for validation).
- Each image is certified and sight-checked to ensure there are no missing pages, double feeds, and to account for "A" pages (added to the original).
- The County receives a MASTER (e.g., CD, DVD, ftp, flash drive) in a medium suitable to the project size.
- Images are optimized and scaled for system output.

# APPENDIX B. TERMS AND CONDITIONS

## KOFILE STANDARD TERMS AND CONDITIONS FOR GOODS AND SERVICES

Last Revised Date May 25, 2022

Welcome to Kofile Technologies, Inc., ("KOFILE"). Kofile is a Delaware corporation with a business address of 6300 Cedar Springs Road, Dallas, Texas 75235.

These Standard Terms and Conditions ("Terms") are incorporated into and a part of the contract between Kofile and the Customer under which Kofile provides services or products (collectively "Services") to a Customer. A Customer is the governmental entity or company which has executed an Agreement with Kofile for Services. Customer and Kofile may each be referred to as a "Party" and together the "Parties."

### 1. Agreement

The Agreement means the contract between a Customer and Kofile consisting of these Terms and any proposal, purchase order, or sales order ("Proposal") signed by a Customer which incorporates these Terms. Except as agreed to in writing by the Parties, the Agreement does not include any other terms and conditions included in any purchase orders or other documents related to the Proposal made or accepted by the Customer. In the event there are conflicting terms between the Terms and Proposal, these Terms will control unless expressly provided for otherwise in the Proposal.

### 2. Scope and Timing of Services

During the term of the Agreement, Kofile will provide Customer with Services outlined and set forth in the Proposal. Unless otherwise specified in the Proposal, Kofile will arrange for the transportation of the Customer records for Service as necessary and Kofile may use third parties to provide certain portions of the Services. Kofile will use reasonable efforts to complete the Services within the time-period(s) indicated in a Schedule or as otherwise agreed to by the parties.

### 3. Term

The Agreement will become effective on the date ("Effective Date") the Proposal is fully signed by an authorized representative of both parties and will remain in effect for the term identified in the Proposal ("Initial Term"). If no term is identified in the Proposal, the Agreement will remain in effect until any of the following occurs: a) delivery of product(s) or completion and acceptance by Customer of Services; b) or is terminated by either party.

### 4. Termination

This Agreement is subject to termination for convenience and without penalty by either party with no less than thirty (30) days written notice to the other party. Either party may terminate this Agreement for a material breach of the other party if such breach remains uncured after ten (10) days written notice to the other party. Kofile will use reasonable efforts not to incur additional fees upon notice of termination. Customer will be responsible for payment of all Services

performed through the termination date.

## 5. Payment Terms

a. Fees. Customer will timely pay all undisputed amounts required under the Agreement. Kofile's Proposal pricing is provided as good faith estimate of cost based upon information about the project provided to or understood by Kofile. Actual pricing may vary based upon the actual quantity and condition of records as determined after a full assessment performed by Kofile once it receives the Records. As a result, actual price may vary from an estimated price listed in a Proposal. Kofile will notify Customer within a reasonable period of time from when it determines actual price will exceed an estimated price.

b. Invoicing and Payment. Payment is due upon completion and delivery of each project phase; and b) Customer will pay all invoiced amounts due within 30 days of the date on the applicable invoice. Customer is responsible for providing complete and current billing and contact information.

c. Taxes. Fees do not include any taxes, levies, duties, or similar assessments of any kind including value-added, sales, use or withholding taxes ("Taxes"). Unless indicated otherwise in the Proposal, Customer is exempt from Taxes and can provide an exemption certificate or citation to legal authority outlining Customer's tax-exempt status. Kofile is responsible for taxes assessed against Kofile based on its income, property, or employees.

d. Suspension. Kofile may suspend provision of Services to Customer if Customer does not pay in full any undisputed balance within sixty (60) days of the date of an invoice until Customer satisfies any undisputed.

## 6. Appropriation

The obligations of Customer under the Agreement are expressly contingent upon the availability of funding. In the event Customer is unable to fulfill its obligations under this Agreement as a result of lack of sufficient funding, Customer may terminate this Agreement by written notice to Kofile. Notwithstanding the foregoing, Customer is responsible for and shall pay for all Services performed up through and including the date of termination.

## 7. Indemnification

Kofile shall defend, indemnify, and hold harmless the Customer and its officers, agents, and employees, from any and all losses, claims, demands, damages, injuries, causes of action, assessments, penalties, costs, expenses, judgments, or other liabilities (collectively "Claims") arising directly out of Kofile's negligent performance of any Services provided pursuant to this Agreement. Kofile's indemnification obligation shall only exist for the Term of this Agreement. Nothing in this Agreement shall be construed to require Kofile to provide indemnification for Claims (a) arising out of or otherwise related to, in whole or in part, the negligence or willful misconduct of the Customer or (b) concerning or otherwise related to the accuracy or inaccuracy, content, or omission of any information provided by, or on behalf of, Customer to Kofile.

**8. Limitation of Liability**

a. IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY CLAIMS, PENALTIES OR DAMAGES, WHETHER IN CONTRACT, TORT, OR BY WAY OF INDEMNIFICATION, IN AN AMOUNT EXCEEDING THE FEES PAID BY CUSTOMER TO KOFIE IN THE MOST RECENT TWELVE (12) MONTHS.

b. UNDER NO CIRCUMSTANCES WILL EITHER PARTY TO THIS AGREEMENT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, INTRINSIC VALUE, OR SPECIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, HOWEVER CAUSED AND BASED ON ANY THEORY OF LIABILITY. THE PROVISIONS OF THIS SECTION SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

**9. Insurance**

Kofile shall maintain in full force and effect, for the term of this Agreement, the following types of insurance: (a) Commercial General Liability insurance of not less than \$2,000,000.00 each occurrence, and \$2,000,000.00 in the aggregate, (b) Automobile Liability insurance of not less than \$2,000,000.00 combined single limit, (c) Errors and Omissions Liability insurance of not less than \$5,000,000.00, and (d) Workers' Compensation insurance meeting or exceeding the statutory requirements, and Cyber/Privacy insurance of not less than \$5,000,000.00. A Certificate of Insurance confirming these coverages and limits will be provided to the Customer upon request. Customer will be listed as an additional insured on the commercial general liability and automobile coverage policies solely to the extent (a) of the required insurance limits and (b) of the risks and liabilities assumed by Kofile in this Agreement. Kofile shall cause insurer to furnish to Customer future certificate(s) evidencing the insurance described herein at any time upon request. Kofile will provide Customer with no less than thirty (30) days' notice of any material change, notice of non-renewal or cancellation.

**10. Confidentiality**

a. Subject to legal process and any public records request laws, information disclosed by or otherwise obtained from a party ("Disclosing Party") to or by the other party ("Receiving Party"), designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure, will be maintained in confidence by the Receiving Party. Customer will provide Kofile sufficient notice of any public records request pertaining to Kofile information to allow Kofile time to identify to Customer any applicable exemptions to disclosure for Customer's consideration.

b. Confidentiality Safeguards. Kofile will maintain appropriate physical, administrative and technical safeguards to protect Confidential Information constituting non-public personal information provided to it by Customer. Kofile will only use and disclose non-public information to its employees, agents, or subcontractors for the purpose of providing Service subject to the terms of the Agreement. Kofile will be permitted to compile and use aggregated or anonymized data from certain Services for Kofile's business purposes provided Customer is not identified as the source of such data. Upon creation, Kofile will be the owner of any aggregated or anonymized data and may copy,

comingle, and use such data for analytics, improving our services, or any other lawful purpose.

c. Healthcare Information. Personal healthcare information (PHI) and other healthcare information may be subject to regulations including the Health Insurance Portability and Accountability Act ("HIPAA"). HIPAA may require the parties to enter into a business associate agreement ("BAA") regarding PHI. Unless indicated otherwise in the Proposal, Customer represents it is not a covered entity as defined by HIPAA and will not provide healthcare records subject to HIPAA without prior notice to Kofile so the parties may determine whether a BAA is required.

## 11. Customer Property

All Customer property, including Records, sent to Kofile by Customer will remain the property of Customer. Upon written request, Kofile will return to Customer any Customer property it may possess or control. Kofile may destroy any electronic images or copies of Customer property ninety (90) days after the completion of the Services unless otherwise agreed upon by the parties. Kofile will provide Customer reasonable access to, or copies of, Records upon request while in the custody or control of Kofile.

## 12. Service Warranty

Kofile warrants to the Customer that all Services provided under this Agreement will be performed in a manner consistent with or greater than that degree of care, qualification, and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the time the Services were performed. If any work is reasonably determined by Customer to be less than professional quality, Kofile will correct such work without charge. This warranty extends for ninety (90) business days past termination or expiration of this Agreement. This warranty is limited to reworking of the unsatisfactory product without change to the original specifications and without regard to the amount of effort expended on the original work product.

THE GOODS AND SERVICES ARE PROVIDED ON AN "AS-IS" AND "AS AVAILABLE" BASIS. EXCEPT FOR THE SERVICE WARRANTY PROVIDED HEREIN, KOFIL AND ITS AFFILIATES AND AGENTS: 1) EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUALITY, ACCURACY, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE; 2) DO NOT WARRANT THAT ACCESS TO GOODS AND SERVICES WILL BE UNINTERRUPTED, ERROR-FREE OR SECURE, OR THAT ANY INFORMATION, SOFTWARE, OR OTHER MATERIAL ACCESSIBLE OR PROVIDED THROUGH SERVICES IS ACCURATE, COMPLETE OR FREE OF VIRUSES OR OTHER HARMFUL CONTENTS OR COMPONENTS; 3) SHALL IN NO EVENT BE LIABLE FOR ANY INACCURACY, ERROR, OMISSION, OR LOSS, INJURY OR DAMAGE (INCLUDING LOSS OF DATA) CAUSED IN WHOLE OR IN PART BY FAILURES, DELAYS, OR INTERRUPTIONS OF CUSTOMER.
