DATE: 4/2/2025

**SUBJECT: CONSIDERATION OF THE ENDING THE HIV EPIDEMIC GRANT CONTRACT BETWEEN TARRANT COUNTY AND THE TEXAS DEPARTMENT OF STATE HEALTH SERVICES**

**\*\*\* CONSENT AGENDA \*\*\***

**COMMISSIONERS COURT ACTION REQUESTED**

It is requested that the Commissioners Court consider the Ending the HIV Epidemic (EHE) Grant Contract, #HHS001577700004, between Tarrant County and the Texas Department of State Health Services.

**BACKGROUND**

Tarrant County Public Health (TCPH) receives yearly support from DSHS in the form of grant contracts, to perform essential public health services. The Ending the HIV Epidemic Grant Contract supports HIV education and prevention and is funded by the Centers for Disease Control and Prevention (CDC). DSHS serves as a pass-through agency and provides grant funds for the salaries of staff who perform community health promotions activities which include distributing HIV prevention messaging to vulnerable populations, providing educational materials, and performing HIV Cluster of Differentiation 4 (CD4), viral load, and genotype testing, which is necessary to connect newly diagnosed clients to care and support HIV Cluster Detection and Response efforts.

On September 29, 2020, the Commissioners Court, through Court Order #133855, approved a Letter of Agreement and Grant Contract with DSHS for funding in the amount of \$637,328.00 to support the EHE grant. The term of the contract was September 29, 2020, through July 31, 2021.

Over the years DSHS has amended the EHE grant contract to extend and renew funding through amendments.

Most recently, on January 28, 2025, the Commissioners Court, though Court Order #144635, approved Amendment No. 6 to the Grant Contract to add \$88,518.00 for the current period which began August 1, 2024, and ends May 31, 2025, increasing the amount available in the current period to \$619,624.00.

With approval of this grant contract, Tarrant County will receive grant funding, in an amount not to exceed \$743,550.00, to be applied to EHE grant activities within Tarrant County for the term of June 1, 2025 through May 31, 2026.

This contract has been approved as to form by the Criminal District Attorney’s Office.

**FISCAL IMPACT**

The amount of this contract is \$743,550 and will be applied to F0036-2026.

### **7.2 DAMAGE TO STATE PROPERTY**

- A. In the event of loss, destruction, or damage to any System Agency or State of Texas owned, leased, or occupied property or equipment by Grantee or Grantee's employees, agents, Subcontractors, or suppliers, Grantee shall be liable to System Agency and the State of Texas for the full cost of repair, reconstruction, or replacement of the lost, destroyed, or damaged property.

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Grant Agreement or indirectly through a subcontract under the Grant Agreement. The acceptance of funds directly under the Grant Agreement or indirectly through a subcontract under the Grant Agreement acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. - C. No action taken by System Agency in exercising remedies or imposing sanctions will constitute or operate as a waiver of any other rights or remedies available to System Agency under the Grant Agreement or pursuant to law. Additionally, no action taken by System Agency in exercising remedies or imposing sanctions will constitute or operate as an acceptance, waiver, or cure of Grantee's breach. Unless expressly authorized by System Agency, Grantee may not be entitled to reimbursement for expenses incurred while the Grant Agreement is suspended or after termination.

### 9.2 TERMINATION FOR CONVENIENCE

The System Agency may terminate the Grant Agreement, in whole or in part, at any time when, in its sole discretion, the System Agency determines that termination is in the best interests of the State of Texas. The termination will be effective on the date specified in the System Agency's notice of termination.

### 9.3 TERMINATION FOR CAUSE

- A. Except as otherwise provided by the U.S. Bankruptcy Code, or any successor law, the System Agency may terminate the Grant Agreement, in whole or in part, upon either of the following conditions:
- i. Material Breach**

The System Agency may terminate the Grant Agreement, in whole or in part, if the System Agency determines, in its sole discretion, that Grantee has materially breached the Grant Agreement or has failed to adhere to any laws, ordinances, rules, regulations or orders of any public authority having jurisdiction, whether or not such violation prevents or substantially impairs performance of Grantee's duties under the Grant Agreement. Grantee's misrepresentation in any aspect including, but not limited to, of Grantee's Solicitation Application, if any, or Grantee's addition to the SAM exclusion list (identification in SAM as an excluded entity) may also constitute a material breach of the Grant Agreement.
  - ii. Failure to Maintain Financial Viability**

The System Agency may terminate the Grant Agreement if the System Agency, in its sole discretion, determines that Grantee no longer maintains the financial viability required to complete the services and deliverables, or otherwise fully perform its responsibilities under the Grant Agreement.
- B. System Agency will specify the effective date of such termination in the notice to Grantee. If no effective date is specified, the Grant Agreement will terminate on the date of the notification.

### 9.4 GRANTEE RESPONSIBILITY FOR SYSTEM AGENCY'S TERMINATION COSTS

If the System Agency terminates the Grant Agreement for cause, the Grantee shall be responsible to the System Agency for all costs incurred by the System Agency and the State of Texas to replace the Grantee. These costs include, but are not limited to, the costs of procuring a substitute grantee and the cost of any claim or litigation attributable to Grantee's failure to perform any work in accordance with the terms of the Grant Agreement.

Grantees may engage in inherently religious activities; however, these activities must be separate in time or location from the grant-funded program. Moreover, grantees must not compel program beneficiaries to participate in inherently religious activities. These requirements apply to all grantees, not just faith-based organizations.

### 9.6 POLITICAL ACTIVITIES

Grant funds cannot be used for the following activities:

- A. Grantees and their relevant sub-grantees or subcontractors are prohibited from using grant funds directly or indirectly for political purposes, including lobbying, advocating for legislation, campaigning for, endorsing, contributing to, or otherwise supporting political candidates or parties, and voter registration campaigns. Grantees may use private, or non-System Agency money or contributions for political purposes but may not charge to, or be reimbursed from, System Agency contracts or grants for the costs of such activities.
- B. Grant-funded employees may not use official authority or influence to achieve any political purpose and grant funds cannot be used for the salary, benefits, or any other compensation of an elected official.

- C. Grant funds may not be used to employ, in any capacity, a person who is required by Chapter 305 of the Texas Government Code to register as a lobbyist. Additionally, grant funds cannot be used to pay membership dues to an organization that partially or wholly pays the salary of a person who is required by Chapter 305 of the Texas Government Code to register as a lobbyist.
- D. As applicable, Grantee will comply with 31 USC § 1352, relating to the limitation on use of appropriated funds to influence certain Federal contracting and financial transactions.

- A. GRANTEE AND SYSTEM AGENCY AGREE TO FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY INDEMNITY CLAIM. GRANTEE SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES.**
- B. THE DEFENSE SHALL BE COORDINATED BY THE GRANTEE WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND GRANTEE MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL.**
- C. GRANTEE SHALL REIMBURSE SYSTEM AGENCY AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE SYSTEM AGENCY DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF GRANTEE OR IF SYSTEM AGENCY IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, SYSTEM AGENCY WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND GRANTEE SHALL PAY ALL REASONABLE COSTS OF SYSTEM AGENCY'S COUNSEL.**

## **ARTICLE XI. GENERAL PROVISIONS**

### **11.1 AMENDMENTS**

Except as otherwise expressly provided, the Grant Agreement may only be amended by a written Amendment executed by both Parties.

### **11.2 NO QUANTITY GUARANTEES**

The System Agency makes no guarantee of volume or usage of work under this Grant Agreement. All work requested may be on an irregular and as needed basis throughout the Grant Agreement term.

### **11.3 CHILD ABUSE REPORTING REQUIREMENTS**

- A. Grantee certifies that it has adopted and enforces a Tobacco-Free Workplace Policy that meets or exceeds all of the following minimum standards of:**

- i. Prohibiting the use of all forms of tobacco products, including but not limited to cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff and chewing tobacco;
  - ii. Designating the property to which this Policy applies as a "designated area," which must at least comprise all buildings and structures where activities funded under this Grant Agreement are taking place, as well as Grantee owned, leased, or controlled sidewalks, parking lots, walkways, and attached parking structures immediately adjacent to this designated area;
  - iii. Applying to all employees and visitors in this designated area; and
  - iv. Providing for or referring its employees to tobacco use cessation services.
- B. If Grantee cannot meet these minimum standards, it must obtain a waiver from the System Agency.

## **11.5 INSURANCE AND BONDS**

Unless otherwise specified in this Contract, Grantee shall acquire and maintain, for the duration of this Contract, insurance coverage necessary to ensure proper fulfillment of this Contract and potential liabilities thereunder with financially sound and reputable insurers licensed by the Texas Department of Insurance, in the type and amount customarily carried within the industry as determined by the System Agency. Grantee shall provide evidence of insurance as required under this Contract, including a schedule of coverage or underwriter's schedules establishing to the satisfaction of the System Agency the nature and extent of coverage granted by each such policy, upon request by the System Agency. In the event that any policy is determined by the System Agency to be deficient to comply with the terms of this Contract, Grantee shall secure such additional policies or coverage as the System Agency may reasonably request or that are required by law or regulation. If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage. In addition, if required by System Agency, Grantee must obtain and have on file a blanket fidelity bond that indemnifies System Agency against the loss or theft of any grant funds, including applicable matching funds. The fidelity bond must cover the entirety of the grant term and any subsequent renewals. The failure of Grantee to comply with these requirements may subject Grantee to remedial or corrective actions detailed in section 10.1, General Indemnity, above.

These and all other insurance requirements under the Grant apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

## **11.6 LIMITATION ON AUTHORITY**

- A. Grantee shall not have any authority to act for or on behalf of the System Agency or the State of Texas except as expressly provided for in the Grant Agreement; no other authority, power, or use is granted or implied. Grantee may not incur any debt, obligation, expense, or liability of any kind on behalf of System Agency or the State of Texas.
- B. Grantee may not rely upon implied authority and is not granted authority under the Grant Agreement to:
  - i. Make public policy on behalf of the System Agency;
  - ii. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of a System Agency program; or
  - iii. Unilaterally communicate or negotiate with any federal or state agency or the Texas Legislature on behalf of the System Agency regarding System Agency programs or

the Grant Agreement. However, upon System Agency request and with reasonable notice from System Agency to the Grantee, the Grantee shall assist the System Agency in communications and negotiations regarding the Work under the Grant Agreement with state and federal governments.

#### **11.7 CHANGE IN LAWS AND COMPLIANCE WITH LAWS**

Grantee shall comply with all laws, regulations, requirements, and guidelines applicable to a Grantee providing services and products required by the Grant Agreement to the State of Texas, as these laws, regulations, requirements, and guidelines currently exist and as amended throughout the term of the Grant Agreement. Notwithstanding Section 11.1, Amendments, above, System Agency reserves the right, in its sole discretion, to unilaterally amend the Grant Agreement to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

#### **11.8 SUBCONTRACTORS**

Grantee may not subcontract any or all of the Work and/or obligations under the Grant Agreement without prior written approval of the System Agency. Subcontracts, if any, entered into by the Grantee shall be in writing and be subject to the requirements of the Grant Agreement. Should Grantee subcontract any of the services required in the Grant Agreement, Grantee expressly understands and acknowledges System Agency is in no manner liable to any subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Grant Agreement.

#### **11.9 PERMITTING AND LICENSURE**

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Grant Agreement any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Grant Agreement. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Grant Agreement.

#### **11.10 INDEPENDENT CONTRACTOR**

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Grant Agreement. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. The Grantee is not a "governmental body" solely by virtue of this Grant Agreement or receipt of grant funds under this Grant Agreement. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Grant Agreement shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

#### **11.11 GOVERNING LAW AND VENUE**

The Grant Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit

arising under the Grant Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

#### **11.12 SEVERABILITY**

If any provision contained in this Grant Agreement is held to be unenforceable by a court of law or equity, such construction will not affect the legality, validity, or enforceability of any other provision or provisions of this Grant Agreement. It is the intent and agreement of the Parties this Grant Agreement shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Grant Agreement will continue in full force and effect.

#### **11.13 SURVIVABILITY**

Expiration or termination of the Grant Agreement for any reason does not release Grantee from any liability or obligation set forth in the Grant Agreement that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Grant Agreement, including without limitation the provisions regarding return of grant funds, audit requirements, records retention, public information, warranty, indemnification, confidentiality, and rights and remedies upon termination.

#### **11.14 FORCE MAJEURE**

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Grant Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

#### **11.15 NO IMPLIED WAIVER OF PROVISIONS**

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Grant Agreement shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

#### **11.16 FUNDING DISCLAIMERS AND LABELING**

A. Grantee shall not use System Agency's name or refer to System Agency directly or indirectly in any media appearance, public service announcement, or disclosure relating to this Grant Agreement including any promotional material without first obtaining written consent from System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Grantee's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Grantee. This does not limit the Grantee's responsibility to comply with obligations related to the Texas Public Information Act or Texas Open Meetings Act.

- B. In general, no publication (including websites, reports, projects, etc.) may convey System Agency’s recognition or endorsement of the Grantee’s project without prior written approval from System Agency. Publications funded in part or wholly by HHS grant funding must include a statement that “HHS and neither any of its components operate, control, are responsible for, or necessarily endorse, this publication (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)” at HHS’s request.

#### **11.17 MEDIA RELEASES**

- A. Grantee shall not use System Agency’s name, logo, or other likeness in any press release, marketing material or other announcement without System Agency’s prior written approval. System Agency does not endorse any vendor, commodity, or service. Grantee is not authorized to make or participate in any media releases or public announcements pertaining to this Grant Agreement or the Services to which they relate without System Agency’s prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Grant Agreement with the System Agency’s prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

#### **11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS**

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements, that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

#### **11.19 SOVEREIGN IMMUNITY**

Nothing in the Grant Agreement will be construed as a waiver of the System Agency’s or the State’s sovereign immunity. This Grant Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Grant Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Grant Agreement or by its conduct prior to or subsequent to entering into the Grant Agreement.

#### **11.20 ENTIRE CONTRACT AND MODIFICATION**

The Grant Agreement constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Grant Agreement will be harmonized with this Grant Agreement to the extent possible.

#### **11.21 COUNTERPARTS**

This Grant Agreement may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Grant Agreement.

## 11.22 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Grant Agreement on its behalf has full power and authority to enter into this Grant Agreement.

## 11.23 E-VERIFY PROGRAM

Grantee certifies that it utilizes and will continue to utilize the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

- A. all persons employed to perform duties within Texas during the term of the Grant Agreement; and
- B. all persons, (including subcontractors) assigned by the Grantee to perform work pursuant to the Grant Agreement within the United States of America.

## 11.24 CIVIL RIGHTS

  - i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.);

A secure transmission of electronic Confidential Information in motion includes, but is not limited to, Secure File Transfer Protocol (SFTP) or Encryption at an appropriate level. If required by rule, regulation or law, HHS Confidential Information at rest requires Encryption unless there is other adequate administrative, technical, and physical security. All electronic data transfer and communications of Confidential Information will be through secure systems. ### SECTION 4: KEY GUIDELINES AND CONDITIONS

- A. LIMITATIONS:** Use of the rate(s) contained in the Agreement is subject to all statutory or administrative limitations and is applicable to a given Federal award or contract only to the extent that funds are available. Acceptance of the rate(s) agreed to herein is predicated upon the following conditions: (1) that no costs other than those incurred by the grantee were included in its indirect cost pool as finally accepted and that such incurred costs are legal obligations of the grantee and allowable under the governing cost principles, (See 2 CFR 200, Subpart E); (2) Unallowable costs have been adjusted appropriately when allocating costs identified in the proposal; (3) that the same costs that have been treated as indirect costs have not been claimed as direct costs; (4) that similar types of costs have been accorded consistent treatment; and (5) that the information provided by the grantee which was used as a basis for acceptance of the rate(s) agreed to herein is not subsequently found to be materially inaccurate; (6) that a restricted rate or limit to the indirect cost rate or amount is not required under the enabling statute or by the cognizant federal agency; (7) indirect costs may only be recovered to the extent direct costs were incurred; and (8) the rates cited in this Agreement may be subject to audit. Indirect cost elements and the type of distribution base used in computing the rates are subject to revision when a final rate is negotiated to settle the provisional rate or if unusual circumstances affect the negotiated predetermined rate. In such situations, the rate(s) may be subject to renegotiation at the discretion of the cognizant agency.
- B. CHANGES IMPACTING THE INDIRECT COST RATE PROPOSAL:** This agreement is based on the organizational structure and the accounting methodology purported by the grantee to be in effect during the Agreement period. Changes which affect the amount of reimbursement resulting from the use of this Agreement require prior approval from the cognizant organization. Failure to obtain approval may result in subsequent cost disallowance. To notify us of organizational changes which impact the indirect cost rate, please submit a Technical Assistance request at the Landing Page referenced in Section 3 of this agreement.

**C. NOTIFICATION TO FEDERAL AND STATE AGENCIES:** A copy of this document may be provided by the grantee to other Federal or State funding sources as a means of notifying them of the Agreement contained herein.

**D. APPLICATION OF INDIRECT COST RATE TO EXISTING GRANTS:** Indirect costs charged to a grant by means other than the rate(s) cited in this Agreement should be adjusted to the applicable rate cited herein.

**E. GOVERNMENT COMMISSIONS (REGIONAL PLANNING COMMISSIONS, COUNCILS OF GOVERNMENT, ETC):** Title 12 of Texas Local Government Code §391.0115(e) limits your organization's indirect costs to 15% or less of your organization's total expenditures.

**SECTION 5: RATE TYPE DEFINITIONS**

**A. Fixed Carry-forward and Adjustments:** A fixed carry-forward rate means an indirect cost rate which has the same characteristics as a predetermined rate, except that the difference between the estimated costs and the actual, allowable costs of the period covered by the rate is carried forward as an adjustment to the rate computation of a subsequent period. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.
