INVESTIGATION FOR TARRANT COUNTY SHERIFF'S OFFICE TO
PARTICIPATE IN THE NORTH TEXAS CHILD EXPLOITATION AND
HUMAN TRAFFICKING TASK FORCE**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court consider approving the Memorandum of Understanding (MOU) between Tarrant County and the Federal Bureau of Investigation, allowing the Tarrant County Sheriff's Office to participate in the North Texas Child Exploitation and Human Trafficking Task Force (NTCEHTTF).

BACKGROUND

The North Texas Child Exploitation and Human Trafficking Task Force (NTCEHTTF) operates as a multi-agency initiative led by the Federal Bureau of Investigation (FBI) in collaboration with local, state, and federal law enforcement agencies. The task force focuses on combating child exploitation, human trafficking, and related crimes in North Texas by conducting investigations, rescuing victims, and prosecuting offenders. NTCEHTTF unites resources from local sheriff's offices, police departments, and federal authorities to enhance coordination and efficiency in identifying and dismantling criminal networks involved in these crimes. Efforts also include prevention, victim assistance, and community education to raise awareness.

Each participating agency, including the FBI, holds responsibility for all personnel costs associated with that agency's NTCEHTTF representatives, including salaries, overtime payments, and fringe benefits, unless specified otherwise. Reimbursement for overtime worked by non-federal NTCEHTTF full-time personnel assigned to the task force may occur through the FBI, subject to the availability of funding, provided the overtime results from NTCEHTTF-related duties and complies with the terms of the Cost Reimbursement Agreement (CRA) executed as part of this MOU.

With approval of this MOU, the Tarrant County Sheriff's Office will participate in the North Texas Child Exploitation and Human Trafficking Task Force (NTCEHTTF).

FISCAL IMPACT

Personnel expenses related to the task force are budgeted in 10000-2025 General Fund/ 2110410000 Sheriff Investigations/510000 Personnel. Reimbursement to the County for any potential overtime related to taskforce duties is subject to the availability of funding by the FBI.

The Parties expressly agree that all such information will be handled lawfully pursuant to the provisions thereof. 42. NTCEHTTF investigative procedures, whenever practicable, are to conform to the requirements which would allow for either federal or state prosecution.

FOR OFFICIAL USE ONLY

FOR OFFICIAL USE ONLY

43. A determination will be made on a case-by-case basis whether the prosecution of NTCEHTTF cases will be at the state or federal level. This determination will be based on the evidence obtained and a consideration of which level of prosecution would be of the greatest benefit to the overall objectives of the NTCEHTTF.
44. In the event that a state or local matter is developed that is outside the jurisdiction of the FBI or it is decided to prosecute a NTCEHTTF case at the state or local level, the FBI agrees to provide all relevant information to state and local authorities in accordance with all applicable legal limitations.

A. Investigative Methods/Evidence

45. For cases assigned to an FBI Special Agent or in which FBI CHSs are utilized, the Parties agree to conform to federal standards concerning evidence collection, processing, storage, and electronic surveillance. However, in situations where the investigation will be prosecuted in the State Court where statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by FBI case agents shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.
46. In all cases assigned to state, county, or local law enforcement participants, the Parties agree to utilize federal standards pertaining to evidence handling and electronic surveillance activities as outlined in the DIOG to the greatest extent possible. However, in situations where the statutory or common law of the state is more restrictive than the comparable federal law, the investigative methods employed by state and local law enforcement agencies shall conform to the requirements of such statutory or common law pending a decision as to venue for prosecution.
47. The use of other investigative methods (search warrants, interceptions of oral communications, etc.) and reporting procedures in connection therewith will be consistent with the policies and procedures of the FBI.

B. Undercover Operations

48. All NTCEHTTF undercover operations will be conducted and reviewed in accordance with FBI guidelines and the United States Attorney General's Guidelines on FBI Undercover Operations. All participating agencies may be requested to enter into an additional agreement if an employee of the participating agency is assigned duties which require the officer to act in an undercover capacity.

USE OF LESS-THAN-LETHAL-DEVICES¹

¹ Pursuant to Section VIII of the DOJ Less-Than-Lethal Devices Policy dated May 16, 2011, all state/local officers participating in joint task force operations must be made aware of and adhere to the policy and its limits on DOJ officers.

FOR OFFICIAL USE ONLY

8

49. The parent agency of each individual assigned to the NTCEHTTF will ensure that while the individual is participating in FBI-led task force operations in the capacity of a task force officer, task force member, or task force participant, the individual will carry only less lethal devices that the parent agency has issued to the individual, and that the individual has been trained in accordance with the agency's policies and procedures.
50. The parent agency of each individual assigned to the NTCEHTTF will ensure that the agency's policies and procedures for use of any less-lethal device that will be carried by the task force officer, task force member, or task force participant are consistent with the DOJ policy statement on the Use of Less-Than-Lethal Devices.¹

DEADLY FORCE AND SHOOTING INCIDENT POLICIES

51. NTCEHTTF personnel will follow their own agencies' policies concerning firearms discharge and use of deadly force.

DEPUTATIONS

52. Local and state law enforcement personnel designated to the NTCEHTTF, subject to a limited background inquiry, shall be sworn as federal task force officers by acquiring Title 18 authority (via the United States Marshals) and Title 21 U.S.C. authority (via the FBI, to participate in federal drug investigations). The FBI will secure the required deputation authorization(s). These deputation(s) should remain in effect throughout the tenure of each investigator's assignment to the NTCEHTTF or until the termination of the NTCEHTTF, whichever comes first.
53. Deputized NTCEHTTF personnel will be subject to the rules and regulations pertaining to such deputation. Administrative and personnel policies imposed by the participating agencies will not be voided by deputation of their respective personnel.

¹ Less-lethal – When use of force is required, but deadly force may not be appropriate, law enforcement officers may employ less-lethal weapons to gain control of a subject. Less-lethal weapons are designed to induce a subject to submit or comply with directions. These weapons give law enforcement officers the ability to protect the safety of officers, subjects, and the public by temporarily incapacitating subjects. While less-lethal weapons are intended to avoid causing any serious harm or injury to a subject, significant injuries and death can occur from their use.

The term "less-than-lethal" is synonymous with "less-lethal," "non-lethal," "non-deadly," and other terms referring to devices used in situations covered by the DOJ Policy on the Use of Less-Than Lethal Devices. "Less-lethal" is the industry standard and the terminology the FBI has elected to utilize in reference to this policy.

FOR OFFICIAL USE ONLY

9

54. State, local, tribal, and territorial law enforcement officers (LEOs) who serve on the NTCEHTTF must be federally deputized under Title 18. They must also be deputized under Title 21 to participate in federal drug investigations. The FBI may likewise require federal LEOs who serve on the NTCEHTTF to be deputized while assigned to the NTCEHTTF. The FBI will secure the required authorization for deputations, as needed.

55. Under the terms of this MOU, the Participating Agency agrees that non-LEOs detailed to the NTCEHTTF will not: (1) participate in law enforcement activities; (2) carry a weapon, either lethal or non-lethal; or (3) participate in the execution of search/arrest warrants.

56. In furtherance of this MOU, employees of participating agencies may be permitted to drive FBI owned or leased vehicles for official NTCEHTTF business and only in accordance with applicable FBI rules and regulations, including those outlined in the FBI Government Vehicle Use Policy Guide (1093PG). The assignment of an FBI owned or leased vehicle to participating agency NTCEHTTF personnel will require the execution of a separate Vehicle Use Agreement.

57. The participating agencies agree that FBI vehicles will not be used to transport passengers unrelated to NTCEHTTF business.

58. Neither the FBI nor the United States shall be responsible for any civil liability arising from the use of an FBI owned or leased vehicle by [task force personnel] while engaged in any conduct other than their official duties and assignments pursuant to their federal deputation on the NTCEHTTF.

59. To the extent permitted by applicable law, the participating agencies agree to hold harmless the FBI and the United States, for any claim for property damage or personal injury arising from any use of an FBI owned or leased vehicle by [task force personnel] which is outside the scope of their official duties and assignments.

SALARY/OVERTIME COMPENSATION

60. The FBI and each participating agency remain responsible for all personnel costs for their NTCEHTTF representatives, including salaries, overtime payments, and fringe benefits consistent with their respective agency, except as described in paragraph 60 below.

61. Subject to funding availability and legislative authorization, the FBI will reimburse to participating agencies the cost of overtime worked by non-federal NTCEHTTF personnel assigned full-time to NTCEHTTF, provided overtime expenses were incurred as a result of NTCEHTTF-related duties, and subject to the provisions and limitations set forth in a separate Cost Reimbursement Agreement to be executed in conjunction with this MOU. A separate Cost Reimbursement Agreement must be executed between the FBI and

FOR OFFICIAL USE ONLY

10

participating agencies for full-time employee(s) assigned to NTCEHTTF, consistent with regulations and policy, prior to any reimbursement by the FBI. Otherwise, overtime shall be compensated in accordance with applicable participating agency overtime provisions and shall be subject to the prior approval of appropriate personnel.

PROPERTY AND EQUIPMENT

62. Property utilized by the NTCEHTTF in connection with authorized investigations and/or operations and in the custody and control and used at the direction of the NTCEHTTF, will be maintained in accordance with the policies and procedures of the agency supplying the equipment. Property damaged or destroyed which was utilized by NTCEHTTF in connection with authorized investigations and/or operations and is in the custody and control and used at the direction of NTCEHTTF, will be the financial responsibility of the agency supplying said property.

FUNDING

63. This MOU is not an obligation or commitment of funds, nor a basis for transfer of funds, but rather is a basic statement of the understanding between the Parties hereto of the tasks and methods for performing the tasks described herein. Unless otherwise agreed in writing, each Party shall bear its own costs in relation to this MOU. Expenditures by each Party will be subject to its budgetary processes and to the availability of funds and resources pursuant to applicable laws, regulations, and policies. The Parties expressly acknowledge that the above language in no way implies that Congress will appropriate funds for such expenditures.

FORFEITURES

64. The FBI shall be responsible for processing assets seized for federal forfeiture in conjunction with NTCEHTTF operations.
65. Asset forfeitures will be conducted in accordance with federal law and the rules and regulations set forth by the FBI and DOJ. Forfeitures attributable to NTCEHTTF investigations may be equitably shared with the agencies participating in the NTCEHTTF.

DISPUTE RESOLUTION

66. In cases of overlapping jurisdiction, the participating agencies agree to work in concert to achieve the NTCEHTTF's objectives.
67. The participating agencies agree to attempt to resolve any disputes regarding jurisdiction, case assignments, workload, etc., at the field level first before referring the matter to supervisory personnel for resolution.

FOR OFFICIAL USE ONLY

MEDIA RELEASES

68. All media releases and statements will be mutually agreed upon and jointly handled according to FBI and participating agency guidelines.
69. Press releases will conform to DOJ Guidelines regarding press releases. No release will be issued without FBI final approval.

SELECTION TO NTCEHTTF AND SECURITY CLEARANCES

70. If a participating agency candidate for the NTCEHTTF will require a security clearance, he or she will be contacted by FBI security personnel to begin the background investigation process prior to the assigned start date.
71. If, for any reason, the FBI determines that a participating agency candidate is not qualified or eligible to serve on the NTCEHTTF, the participating agency will be so advised and a request will be made for another candidate.
72. Upon being selected, each candidate will receive a comprehensive briefing on FBI field office security policies and procedures. During the briefing, each candidate will execute non-disclosure agreements (SF-312 and FD-868), as may be necessary or required by the FBI.
73. Before receiving unescorted access to FBI space identified as an open storage facility, NTCEHTTF personnel will be required to obtain and maintain a "Top Secret" security clearance. NTCEHTTF personnel will not be allowed unescorted access to FBI space unless they have received a Top Secret security clearance.
74. Upon departure from the NTCEHTTF, each individual whose assignment to the NTCEHTTF is completed will be given a security debriefing and reminded of the provisions contained in the non-disclosure agreement to which he or she previously agreed.

LIABILITY

75. The participating agencies acknowledge that this MOU does not alter the applicable law governing civil liability, if any, arising from the conduct of personnel assigned to the NTCEHTTF.
76. Each party agrees to notify the other in the event of receipt of a civil claim arising from [scope of the FBI's relationship with the MOU's other party]. Both parties agree to cooperate fully with one another in the event of any investigation arising from alleged negligence or misconduct arising from the [operational relationship]. Nothing in this paragraph prevents any party from conducting an independent administrative review of any incident giving rise to a claim. In the event that a civil claim or complaint is brought against a state or local officer assigned to the NTCEHTTF, the officer may request legal

representation and/or defense by DOJ, under the circumstances and pursuant to the statutes and regulations identified below.

77. COMMON LAW TORT CLAIMS

- A. Congress has provided that the exclusive remedy for the negligent or wrongful act or omission of an employee of the U.S. Government, acting within the scope of his or her employment, shall be an action against the United States under the Federal Tort Claims Act, 28 U.S.C. § 1346(b), and §§ 2671-2680.
- B. Notwithstanding any other provision contained in this MOU, for the limited purpose of defending civil claims arising out of [operational relationship] activity, any employee detailed from a Participating Agency who is acting within the course and scope of his or her official duties and assignments pursuant to this MOU may be considered an "employee" of the U.S. government, as defined at 28 U.S.C. § 2671. See 5 U.S.C. § 3374(c)(2).
- C. Under the Federal Employee Liability Reform and Tort Compensation Act of 1998 (commonly known as the Westfall Act), see 28 U.S.C. § 2679(b)(1), if an employee of the United States is named as a defendant in a civil action, the Attorney General or his or her designee may certify that the defendant acted within the scope of his or her employment at the time of the incident giving rise to the suit. 28 U.S.C. § 2679(d)(1)&(2). The United States can then be substituted for the employee as the sole defendant with respect to any tort claims alleged in the action. 28 U.S.C. § 2679(d)(1)&(2). Decisions to certify that an employee was acting within the scope of his or her employment at the time of the incident giving rise to the suit, see 28 U.S.C. § 2679(d)(1)&(2), are made on a case-by case-basis, and such certification cannot be guaranteed.
- D. If the Attorney General declines to certify that an employee was acting within the scope of employment, "the employee may at any time before trial petition the court to find and certify that the employee was acting within the scope of his office or employment." 28 U.S. C. § 2679(d)(3)."

78. For the limited purpose of defending against a civil claim arising from an alleged violation of the U.S. Constitution pursuant to 42 U.S.C. § 1983 or Bivens v. Six Unknown Named Agents of the Federal Bureau of Narcotics, 403 U.S. 388 (1971): An individual assigned to the NTCEHTTF who is named as a defendant in a civil action as a result of or in connection with the performance of his or her official duties and assignments pursuant to this MOU may request individual-capacity representation by DOJ to defend against the claims. 28 C.F.R. §§ 50.15, 50.16. Any such request for individual-capacity representation must be made in the form of a letter from the individual defendant to the U.S. Attorney General. The letter should be provided to Chief Division Counsel (CDC) for the FBI Dallas Division, who will then coordinate the request with the FBI Office of the General Counsel. In the event of an adverse judgment against the individual, he or she may request indemnification from DOJ. 28 C.F.R. § 50.15(c)(4). Requests for DOJ representation and indemnification are determined by DOJ on a case-by-case basis. The FBI cannot guarantee the United States will provide legal representation or indemnification to any NTCEHTTF personnel.

79. Liability for any conduct by NTCEHTTF personnel undertaken outside of the scope of their duties and assignments pursuant to their federal deputation on the NTCEHTTF shall not be the responsibility of the FBI or the United States.

80. The term of this MOU is for the duration of the NTCEHTTF's operations, contingent upon approval of necessary funding, but may be terminated at any time upon written mutual consent of the agency involved.

81. Any participating agency may withdraw from the NTCEHTTF at any time by written notification to the NTCEHTTF Supervisor with designated oversight for investigative and personnel matters or program manager of the NTCEHTTF at least 30 days prior to withdrawal.

2. Commencing upon execution of this Agreement, the FBI will, subject to availability of required funding, reimburse TC for overtime payments made to officers assigned to and working full time on NTCEHTTF related matters.

3. Requests for reimbursement shall be made on a monthly basis utilizing the United States Department of the Treasury Invoice Processing Platform (IPP) software system and shall be submitted to the FBI Dallas Field Office immediately after the first of the month which follows the month for which reimbursement is requested. The reimbursement request shall be approved by the appropriate Supervisor (or their designee) at TC prior to the invoice submission in IPP. The invoice submitted in IPP will automatically route to the FBI NTCEHTTF personnel for their review, approval, and processing for payment.

4. Overtime reimbursement payments from the FBI will be made via electronic funds transfer (EFT) directly to TC using the FBI's Unified Financial Management System (UFMS). To facilitate EFT, TC shall establish an account online in the System for Award Management (SAM) at www.SAM.gov. Verification of TC banking information is required on an annual basis in order to keep payment information current. For additional information regarding the UFMS and SAM, contact the FBI Dallas Financial Liaison Specialist.

5. Overtime reimbursements will be calculated at the usual rate for which the individual officer's time would be compensated in the absence of this Agreement. However, said reimbursement, per officer, shall not exceed monthly and/or annual limits established annually by the FBI. The limits, calculated using Federal pay tables, will be in effect for the Federal fiscal year running from October 1st of one year through September 30th of the following year, unless changed during the period. The FBI reserves the right to change the reimbursement limits, upward or downward, for subsequent periods based on fiscal priorities and appropriations limits. The FBI will notify TC of the applicable annual limits prior to October 1st of each year.

6. The number of TC deputies assigned full-time to the NTCEHTTF and entitled to overtime reimbursement by the FBI shall be approved by the FBI in advance of each fiscal year. Based on the needs of the NTCEHTTF, this number may change periodically, upward or downward, as approved in advance by the FBI.

7. Prior to submission of any overtime reimbursement requests, TC shall prepare an official document setting forth the identity of each officer assigned full-time to the NTCEHTTF along with the regular and overtime hourly rates for each officer. Should any officers change during the fiscal year, a similar statement shall be prepared regarding the new officers prior to submitting any overtime reimbursement requests for the officers. If the rate changes during the fiscal year for a previously assigned officer, an updated letter shall be attached with the invoice submission in IPP that reflects the new rate. The updated letter shall be mailed to the Dallas Field Office NTCEHTTF personnel to maintain in FBI records.

8. Each request for reimbursement shall be submitted via IPP to the FBI. The request for reimbursement shall include an invoice number, invoice date, the name, overtime compensation rate, number of reimbursable hours claimed, and the dates of those hours for each officer for whom reimbursement is sought. An attachment signed and dated by an authorized Agency representative noting the dates and hours for each officer overtime reimbursement claimed shall be uploaded in IPP as supporting documentation for the invoice to confirm the information described in this paragraph is accurate, and the personnel for whom reimbursement is claimed were assigned full-time to the NTCEHTTF.

9. Requests for reimbursement shall be submitted monthly and all requests shall be received by the FBI no later than December 31st of the next fiscal year for which the reimbursement applies. For example, reimbursements for the fiscal year ending September 30, 2025, shall be received by the FBI monthly and not later than December 31, 2025. The FBI is not obligated to reimburse any requests received untimely and not in accordance herewith.

10. This Agreement is effective upon signatures of the parties and will remain in effect for the duration of TC's participation on the NTCEHTTF, contingent upon approval of necessary funding, and unless terminated in accordance with the provisions herein. This Agreement may be modified at any time by written consent of the parties or based on changing business operations and practices of the FBI. It may be terminated at any time upon mutual consent of the parties, or unilaterally upon written notice from the terminating party to the other party at least 30 days prior to the termination date.
