This Memorandum of Agreement must be designed to facilitate linking individuals who meet DSHS HIV Program eligibility criteria to local sexually transmitted disease (STD) and tuberculosis (TB) programs so that such individuals may receive appropriate services from those programs.

- II.** Ensure subgrantees provide services that are equitably available and accessible to all PLWH needing services and/or care within Grantee's designated Service Area. Grantee shall not set up eligibility criteria that favors one HIV-positive demographic over another. Grantee will make reasonable efforts to provide office hours and service locations that are accessible to as many clients as possible. HHS Office for Civil Rights provides guidance to grant and cooperative recipients on complying with civil rights laws that prohibit discrimination (see <http://www.hhs.gov/civil-rights/for-individuals/index.html>). Specific guidance for legal obligations under Title VI of the Civil Rights Act of 1964 for programs and activities that receive federal financial assistance can be found in P.L. 88-352, as amended, and 45 CFR Part 75.

Submit reallocation requests to DSHS for review and approval no less than thirty (30) days before the end of the Contract period, unless DSHS approves a late reallocation request in advance of the late reallocation submission. The reallocation requests must follow DSHS HIV policy 241.006, Reallocation of HIV Client Services Funds, to efficiently expend funds and provide core medical services to the broadest number of clients;
4. Implement any recommendations as approved and modified by DSHS and immediately make any approved revisions to the URS contracts. Allocation and reallocation recommendations will reflect a primary emphasis on assuring participation in HIV-related medical care for PLWH;
5. Ensure that recommended allocations for HSDAs containing Eligible Metropolitan Areas (EMAs) or Texas Transitional Grant Areas (TGAs) will reflect the priorities and strategies set by the Planning Council;
6. Ensure subgrantees use the additive method for program income and that use of program income complies with the DSHS Uniform Terms and Conditions (Attachment D-2, HHS Uniform Terms and Conditions – Grant v. 3.5, September 2024), RWHAP legislation, including PCN 15-03 Clarifications Regarding the Ryan White HIV/AIDS Program and Program Income, located at https://hab.hrsa.gov/sites/default/files/hab/Global/pcn_15-03_program_income.pdf;

1. Biannual QM Committee meeting summaries;
2. Annual Administrative Agency Client Satisfaction Survey results; and
3. Annual QM Program/System Summary.

NN. Ensure subgrantees submit, at a minimum, all required data elements under this Contract for every client who receives services through the funded provider. Grantees are responsible for ensuring subgrantees, or the Grantee on the subgrantees’ behalf, submit and complete all required client data through the URS in accordance with the requirements herein and with all policies, guidelines and instructions provided by DSHS. Grantees must enter or import complete and correct contracts into the URS no

Payment of final voucher will be contingent upon proper submission of Grantee’s final RSR.
- QQ.** Require AA and subgrantee staff to complete URS training as directed by DSHS. AA will require service provider staff/subgrantees responsible for client eligibility to work with clients to set up a URS profile and establish eligibility to receive services and THMP medications, through the Take Charge Texas (TCT) portal.
- RR.** Review all THMP applications in TCT by AEWs regardless of if client is receiving other services from the agency. AEWs will communicate with clients as needed, to support a timely, complete and correct application submission to THMP. Clients that only require THMP application assistance will be assigned to subgrantees by an algorithm based on client residence. All THMP applications assigned to an agency must undergo quality assurance by an AEW before submission.
- SS.** Ensure all required data elements are entered into TCT as outlined in DSHS policy and guidance. Ensure reporting deadlines are met as outlined in DSHS policy and reporting schedules. If importing into TCT, ensure imports are scheduled and occur in a regular and timely manner, but no less than once per month.

If coverage expires during the term of this Contract, Grantee must produce renewal certificates for each type of coverage. In addition, if required by System Agency, Grantee must obtain and have on file a blanket fidelity bond that indemnifies System Agency against the loss or theft of any grant funds, including applicable matching funds. The fidelity bond must cover the entirety of the grant term and any subsequent renewals. The failure of Grantee to comply with these requirements may subject Grantee to remedial or corrective actions detailed in section 10.1, General Indemnity, above.

These and all other insurance requirements under the Grant apply to both Grantee and its Subcontractors, if any. Grantee is responsible for ensuring its Subcontractors' compliance with all requirements.

11.6 LIMITATION ON AUTHORITY

- A. Grantee shall not have any authority to act for or on behalf of the System Agency or the State of Texas except as expressly provided for in the Grant Agreement; no other authority, power, or use is granted or implied. Grantee may not incur any debt, obligation, expense, or liability of any kind on behalf of System Agency or the State of Texas.
- B. Grantee may not rely upon implied authority and is not granted authority under the Grant Agreement to:
 - i. Make public policy on behalf of the System Agency;
 - ii. Promulgate, amend, or disregard administrative regulations or program policy decisions made by State and federal agencies responsible for administration of a System Agency program; or
 - iii. Unilaterally communicate or negotiate with any federal or state agency or the Texas Legislature on behalf of the System Agency regarding System Agency programs or

the Grant Agreement. However, upon System Agency request and with reasonable notice from System Agency to the Grantee, the Grantee shall assist the System Agency in communications and negotiations regarding the Work under the Grant Agreement with state and federal governments.

11.7 CHANGE IN LAWS AND COMPLIANCE WITH LAWS

Grantee shall comply with all laws, regulations, requirements, and guidelines applicable to a Grantee providing services and products required by the Grant Agreement to the State of Texas, as these laws, regulations, requirements, and guidelines currently exist and as amended throughout the term of the Grant Agreement. Notwithstanding Section 11.1, Amendments, above, System Agency reserves the right, in its sole discretion, to unilaterally amend the Grant Agreement to incorporate any modifications necessary for System Agency's compliance, as an agency of the State of Texas, with all applicable state and federal laws, regulations, requirements and guidelines.

11.8 SUBCONTRACTORS

Grantee may not subcontract any or all of the Work and/or obligations under the Grant Agreement without prior written approval of the System Agency. Subcontracts, if any, entered into by the Grantee shall be in writing and be subject to the requirements of the Grant Agreement. Should Grantee subcontract any of the services required in the Grant Agreement, Grantee expressly understands and acknowledges System Agency is in no manner liable to any subcontractor(s) of Grantee. In no event shall this provision relieve Grantee of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the Grant Agreement.

11.9 PERMITTING AND LICENSURE

At Grantee's sole expense, Grantee shall procure and maintain for the duration of this Grant Agreement any state, county, city, or federal license, authorization, insurance, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Grantee to provide the goods or services required by this Grant Agreement. Grantee shall be responsible for payment of all taxes, assessments, fees, premiums, permits, and licenses required by law. Grantee shall be responsible for payment of any such government obligations not paid by its Subcontractors during performance of this Grant Agreement.

11.10 INDEPENDENT CONTRACTOR

Grantee and Grantee's employees, representatives, agents, Subcontractors, suppliers, and third-party service providers shall serve as independent contractors in providing the services under the Grant Agreement. Neither Grantee nor System Agency is an agent of the other and neither may make any commitments on the other party's behalf. The Grantee is not a "governmental body" solely by virtue of this Grant Agreement or receipt of grant funds under this Grant Agreement. Grantee shall have no claim against System Agency for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind. The Grant Agreement shall not create any joint venture, partnership, agency, or employment relationship between Grantee and System Agency.

11.11 GOVERNING LAW AND VENUE

The Grant Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit

arising under the Grant Agreement is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the System Agency.

11.12 SEVERABILITY

If any provision contained in this Grant Agreement is held to be unenforceable by a court of law or equity, such construction will not affect the legality, validity, or enforceability of any other provision or provisions of this Grant Agreement. It is the intent and agreement of the Parties this Grant Agreement shall be deemed amended by modifying such provision to the extent necessary to render it valid, legal and enforceable while preserving its intent or, if such modification is not possible, by substituting another provision that is valid, legal and enforceable and that achieves the same objective. All other provisions of this Grant Agreement will continue in full force and effect.

11.13 SURVIVABILITY

Expiration or termination of the Grant Agreement for any reason does not release Grantee from any liability or obligation set forth in the Grant Agreement that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is necessary to fulfill the essential purpose of the Grant Agreement, including without limitation the provisions regarding return of grant funds, audit requirements, records retention, public information, warranty, indemnification, confidentiality, and rights and remedies upon termination.

11.14 FORCE MAJEURE

Neither Grantee nor System Agency shall be liable to the other for any delay in, or failure of performance, of any requirement included in the Grant Agreement caused by force majeure. The existence of such causes of delay or failure shall extend the period of performance until after the causes of delay or failure have been removed provided the non-performing party exercises all reasonable due diligence to perform. Force majeure is defined as acts of God, war, fires, explosions, hurricanes, floods, failure of transportation, or other causes that are beyond the reasonable control of either party and that by exercise of due foresight such party could not reasonably have been expected to avoid, and which, by the exercise of all reasonable due diligence, such party is unable to overcome.

11.15 NO IMPLIED WAIVER OF PROVISIONS

The failure of the System Agency to object to or to take affirmative action with respect to any conduct of the Grantee which is in violation or breach of the terms of the Grant Agreement shall not be construed as a waiver of the violation or breach, or of any future violation or breach.

11.16 FUNDING DISCLAIMERS AND LABELING

A. Grantee shall not use System Agency's name or refer to System Agency directly or indirectly in any media appearance, public service announcement, or disclosure relating to this Grant Agreement including any promotional material without first obtaining written consent from System Agency. The foregoing prohibition includes, without limitation, the placement of banners, pop-up ads, or other advertisements promoting Grantee's or a third party's products, services, workshops, trainings, or other commercial offerings on any website portal or internet-based service or software application hosted or managed by Grantee. This does not limit the Grantee's responsibility to comply with obligations related to the Texas Public Information Act or Texas Open Meetings Act.

- B. In general, no publication (including websites, reports, projects, etc.) may convey System Agency's recognition or endorsement of the Grantee's project without prior written approval from System Agency. Publications funded in part or wholly by HHS grant funding must include a statement that "HHS and neither any of its components operate, control, are responsible for, or necessarily endorse, this publication (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided)" at HHS's request.

11.17 MEDIA RELEASES

- A. Grantee shall not use System Agency's name, logo, or other likeness in any press release, marketing material or other announcement without System Agency's prior written approval. System Agency does not endorse any vendor, commodity, or service. Grantee is not authorized to make or participate in any media releases or public announcements pertaining to this Grant Agreement or the Services to which they relate without System Agency's prior written consent, and then only in accordance with explicit written instruction from System Agency.
- B. Grantee may publish, at its sole expense, results of Grantee performance under the Grant Agreement with the System Agency's prior review and approval, which the System Agency may exercise at its sole discretion. Any publication (written, visual, or sound) will acknowledge the support received from the System Agency and any Federal agency, as appropriate.

11.18 PROHIBITION ON NON-COMPETE RESTRICTIONS

Grantee shall not require any employees or Subcontractors to agree to any conditions, such as non-compete clauses or other contractual arrangements, that would limit or restrict such persons or entities from employment or contracting with the State of Texas.

11.19 SOVEREIGN IMMUNITY

Nothing in the Grant Agreement will be construed as a waiver of the System Agency's or the State's sovereign immunity. This Grant Agreement shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the System Agency or the State of Texas under the Grant Agreement or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. System Agency does not waive any privileges, rights, defenses, or immunities available to System Agency by entering into the Grant Agreement or by its conduct prior to or subsequent to entering into the Grant Agreement.

11.20 ENTIRE CONTRACT AND MODIFICATION

The Grant Agreement constitutes the entire agreement of the Parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in any future document incorporated into the Grant Agreement will be harmonized with this Grant Agreement to the extent possible.

11.21 COUNTERPARTS

This Grant Agreement may be executed in any number of counterparts, each of which will be an original, and all such counterparts will together constitute but one and the same Grant Agreement.

11.22 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Grant Agreement on its behalf has full power and authority to enter into this Grant Agreement.

11.23 E-VERIFY PROGRAM

Grantee certifies that it utilizes and will continue to utilize the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of:

- A. all persons employed to perform duties within Texas during the term of the Grant Agreement; and
- B. all persons, (including subcontractors) assigned by the Grantee to perform work pursuant to the Grant Agreement within the United States of America.

11.24 CIVIL RIGHTS

- A. Grantee agrees to comply with state and federal anti-discrimination laws, including:
 - i. Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.);
 - ii. Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794);
 - iii. Americans with Disabilities Act of 1990 (42 U.S.C. §12101 et seq.);
 - iv. Age Discrimination Act of 1975 (42 U.S.C. §§6101-6107);
 - v. Title IX of the Education Amendments of 1972 (20 U.S.C. §§1681-1688);
 - vi. Food and Nutrition Act of 2008 (7 U.S.C. §2011 et seq.); and
 - vii. The System Agency's administrative rules, as set forth in the Texas Administrative Code, to the extent applicable to this Grant Agreement.
- B. Grantee agrees to comply with all amendments to the above-referenced laws, and all requirements imposed by the regulations issued pursuant to these laws. These laws provide in part that no persons in the United States may, on the grounds of race, color, national origin, sex, age, disability, political beliefs, or religion, be excluded from participation in or denied any aid, care, service or other benefits provided by Federal or State funding, or otherwise be subjected to discrimination.
- C. Grantee agrees to comply with Title VI of the Civil Rights Act of 1964, and its implementing regulations at 45 C.F.R. Part 80 or 7 C.F.R. Part 15, prohibiting a contractor from adopting and implementing policies and procedures that exclude or have the effect of excluding or limiting the participation of clients in its programs, benefits, or activities on the basis of national origin. State and federal civil rights laws require contractors to provide alternative methods for ensuring access to services for applicants and recipients who cannot express themselves fluently in English. Grantee agrees to take reasonable steps to provide services and information, both orally and in writing, in appropriate languages other than English, in order to ensure that persons with limited English proficiency are effectively informed and can have meaningful access to programs, benefits, and activities.
- D. Grantee agrees to post applicable civil rights posters in areas open to the public informing clients of their civil rights and including contact information for the HHS Civil Rights Office. The posters are available on the HHS website at: <https://hhs.texas.gov/about-hhs/your-rights/civil-rights-office/civil-rights-posters>
- E. Grantee agrees to comply with Executive Order 13279, and its implementing regulations at 45 C.F.R. Part 87 or 7 C.F.R. Part 16. These provide in part that any organization that participates in programs funded by direct financial assistance from the United States Department of Agriculture or the United States Department of Health and Human Services shall not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

- F. Upon request, Grantee shall provide HHSC's Civil Rights Office with copies of the Grantee's civil rights policies and procedures.
- G. Grantee must notify HHSC's Civil Rights Office of any complaints of discrimination received relating to its performance under this Grant Agreement. This notice must be delivered no more than ten (10) calendar days after receipt of a complaint. Notice provided pursuant to this section must be directed to:

These include, but are not limited to, standards for documentation and communication of data models, metadata, and other data definition methods that are required by HHS for ongoing data governance, strategic portfolio analysis, interoperability planning, and valuation of HHS System data assets.

11.26 DISCLOSURE OF LITIGATION

- A. The Grantee must disclose in writing to the contract manager assigned to this Grant Agreement any material civil or criminal litigation or indictment either threatened or pending involving the Grantee. "Threatened litigation" as used herein shall include governmental investigations and civil investigative demands. "Litigation" as used herein shall include administrative enforcement actions brought by governmental agencies. The Grantee must also disclose any material litigation threatened or pending involving Subcontractors, consultants, and/or lobbyists. For purposes of this section, "material" refers, but is not limited, to any action or pending action that a reasonable person knowledgeable in the applicable industry would consider relevant to the Work under the Grant Agreement or any development such a person would want to be aware of in order to stay fully apprised of the total mix of information relevant to the Work, together with any litigation threatened or pending that may result in a substantial change in the Grantee's financial condition.
