\* - Average daily billable units per month

Provider provides Customer a shelf stock equal to 20% of the average daily activated units calculated at the end of the month. If the shelf stock exceeds 20%, Provider will charge Customer the per diem rate above for units in excess of 20% of the average daily activated units.

**Dormancy:**

*Dormancy*-for unassigned inventory, a device is considered dormant if it has not contacted (called into) the VeriTracks™ software in more than 30 days. It is the customer's responsibility to ensure devices in inventory are plugged in at minimum every 30 days to maintain the device firmware and almanac. A monthly report is available to keep customers apprised of devices that are in the dormancy category. Devices that remain in the dormancy state past 90 days will be marked as unrecoverable and invoiced based on the terms set out in the **Insurance and Replacement Cost** section of this contract. Once devices are marked unrecoverable they are no longer usable and will need to be returned to the warehouse.

**Insurance and Replacement Costs:** In the event of damage to the unit caused by the tracked individuals or Customer, or if the unit is lost, the Customer will reimburse Provider based on the Replacement Cost listed below. **In lieu of Customer paying for lost/damaged units, Customer may elect below to purchase insurance at the per diem rate noted below to provide no-deductible coverage up to 15% of the average daily units billed during the preceding twelve (12) months. Any lost or damaged units above this amount will be billed in accordance with the Replacement Cost below. Election for insurance coverage must be made at the beginning of the Agreement, and remains in effect during the term of the Agreement for all billable units.** Regardless of whether insurance coverage is elected, Customer shall use its best efforts to recover all units on behalf of Provider. Provider may terminate this Agreement if lost or damaged units from this Agreement exceed 20% of the average daily units activated.
