**SUBJECT: CONSIDERATION TO UPDATE THE INFORMATION TECHNOLOGY
STEERING COMMITTEE VOTING MEMBERSHIP**

***** CONSENT AGENDA *****

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court consider updating the Information Technology Steering Committee (ITSC) voting membership.

BACKGROUND

On August 8, 2000, the Commissioners Court, through Court Order #83475, approved the Information Technology Strategic Plan with the stipulation to keep the ITSC in place.

On March 18, 2014, the Commissioners Court, through Court Order #117290, approved the new membership structure for the ITSC to allow whoever is currently holding the position, or their designee, to be the voting member of the committee which eliminates the need to update the ITSC as members retired or changed jobs.

The list below includes the proposed ITSC voting members:

- | | |
|--|-------------------------------------|
| Two Commissioners Court Members | Criminal District Attorney |
| District Clerk | District Local Administrator Judge |
| County Administrator | Justice of the Peace Representative |
| Chief Information Officer | Purchasing Agent |
| County Auditor | Sheriff |
| Budget and Risk Management Director | Tax Assessor/Collector |
| County Clerk | Public Health Director |
| Constable Representative | |
| Associate Presiding Judge - Administrative Criminal Judges Panel | |
| Project Portfolio Management Office Director | |

With approval, ITSC will update the Committee Voting Membership as mentioned above.
