BACKGROUND

Notice of the County's intent to bid was advertised in local newspapers, as required by State statute, and posted on the Internet, the Arlington Black Chamber of Commerce, the Fort Worth Hispanic Chamber of Commerce, the Fort Worth Metropolitan Black Chamber of Commerce, and the Tarrant County Asian American Chamber of Commerce. Seven hundred sixty-eight (768) vendors were contacted and requested to participate in this bid process. All documents pertaining to this bid were posted on the Tarrant County website and were downloaded by interested bidders. Twenty-three (23) bids and ten (10) no-bids were received.

Bids were evaluated by Public Health and Purchasing representatives. Award recommendations are to the low bids meeting specifications.

Deliver 4 Every 1 Logistics LLC withdrew their bid. Several vendors did not meet specifications for individual line items. A separate spreadsheet detailing the justification for non-awards is attached. There are no awards for Items 20 and 40 because the specifications need to be revised for clarification.

The term of the contract is twelve (12) months, effective February 16, 2025.

This contract is for the procurement of annual medical supplies that encompass a wide range of items essential for supporting the fourteen (14) Public Health clinics to operate efficiently and effectively. These could include, but are not limited to, personal protective equipment, medical instruments, consumables, and laboratory supplies.

Therefore, it is the joint recommendation of Public Health and Purchasing that Bid No. F2025027, Annual Contract for Medical Supplies, be awarded to the vendors listed above at the per unit price and discount from list price.

FISCAL IMPACT

Expenses for last year were approximately \$143,000.00. Orders are placed on an as-needed basis. Funding is available in various accounts and cost centers.
