The bid received from SHI Government Solutions, Inc. meets all specifications and is acceptable to Information Technology.

The term of the contract is twelve (12) months, effective July 1, 2025.

This purchase is for the continuation of existing software that enables the Information Technology (IT) department to improve database reliability by identifying and fixing issues early, reduces downtime, supports audit compliance, and helps IT staff work more efficiently. By reducing system delays and improving efficiency, this tool will save time, reduce costs, and support the County's growing technology needs.

Therefore, it is the joint recommendation of Information Technology and Purchasing that Bid No. F2025125, Purchase of SolarWinds Database Analyzer, be awarded to SHI Government Solutions, Inc. at the per unit price.
