REPORTS AND AUDITS

Agency will submit to Tarrant County monthly reports of activities undertaken by Agency in the performance of this contract and monthly statements of expenditures and income, regardless of the source of such funds, which relate to the Agency.

Such reports and statements will be signed by a duly authorized agent of Agency and will be submitted by the fifteenth of the month following the month that is being reported. Tarrant County is under no obligation to disburse funds for expenditures that occurred more than thirty (30) days prior to the first day of the month for which the report is submitted.

Agency also agrees to submit to Tarrant County a completed HUD required Annual Progress Report (APR) or have complete and accurate client data entered into the HMIS System no later than 45 days after the end of the grant period.

Agency will cooperate fully with Tarrant County in monitoring the case management, counseling, nutrition and transportation services. In this regard, Agency agrees to keep records sufficient to document its compliance with all applicable laws, regulations and contract terms. All records shall be retained for three (3) years following the date of HUD's closeout of this grant. Tarrant County staff will conduct on-site monitoring for those agencies considered high risk according to the approved Tarrant County Risk Analysis. Tarrant County, HUD, and the United States Comptroller General, or their representatives, shall have access to any books, documents, records and papers relating to the operations of the Agency under this contract for the purpose of audit, examination, exception and transcription at all reasonable hours at the offices of Agency. In accordance with 2 CFR Part 200, Tarrant County shall require a single audit of Agency operations. Expenses of conducting a single audit are allowable costs under the administrative section of the Continuum of Care Program.

If, as a result of any audit, it is determined that Agency has misused, misapplied or misappropriated all or any part of the grant funds described herein, Agency agrees to indemnify, hold harmless and defend Tarrant County and its officers, agents, servants and employees from

and against any and all claims or suits resulting from such misuse, misapplication or misappropriation of such funds and to reimburse Tarrant County the amount of such monies so misused, misapplied or misappropriated.

Agency covenants and agrees that, in the event an audit is conducted by Tarrant County or on behalf of Tarrant County, which audit reveals any improper expenditures by Agency, its officers, agents, servants, employees and/or subcontractors, of the funds granted hereunder and such questioned costs are disallowed and become final under the procedures of the party by whom or on whose behalf said audit is conducted, then the amount of such disallowed cost, plus any sums Tarrant County is required to reimburse to HUD, shall constitute liquidated damages for the breach of that portion of the contract audited. In case such disallowed cost becomes final as herein set out, Agency agrees to pay Tarrant County said sum for Agency's failure to perform the duties, bear the liabilities and fulfill the obligations imposed upon it by this agreement.

CONFLICT OF INTEREST

Agency agrees to abide by the provisions of 2 CFR 200.318 with respect to conflicts of interest, and covenants that it presently has no personal or financial interest or benefit, and shall not acquire any personal or financial interest or benefit, direct or indirect, which would conflict in any manner or degree with the performance of services required under this agreement.

These conflict of interest provisions apply to any person who is an employee, agent, consultant, officer, or elected or appointed official of the county or of the sponsor, who exercises or has exercised any functions or responsibilities with respect to assisted activities or who is in a position to participate in a decision making process or gain inside information with regard to such activities during his or her tenure or for one year thereafter.

Participation by homeless individuals who also are participants under the program in policy or decision making under 24 CFR 583.300(f) does not constitute a conflict of interest.

To the extent permitted by State or local law or regulations, such standards of conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the subrecipients officers, employees, or agents, or by contractors or their agents.

Likewise, all procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. Agency shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. The other factors shall include the bidder's or offeror's compliance with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u), hereafter referred to as "Section 3." Section 3 provides that, to the greatest extent feasible, and consistent with existing Federal, State, and local laws, and regulations, economic opportunities generated by certain HUD financial assistance shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by

the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

Any violations of these conflict of interest provisions by Agency and/or its subrecipients or contractors shall render this contract voidable by Tarrant County.
