It is requested that the Commissioners Court consider a HOME Investment Partnerships Program (HOME) Funding Agreement between Tarrant County and Housing Channel for eligible pre-development costs associated with the Patterson Heights development project.

BACKGROUND

The HOME Program is the largest federal block grant program for affordable housing. It provides funding to state and local governments, including Tarrant County, for eligible activities such as homeowner assistance, homeowner rehabilitation assistance, tenant-based rental assistance, and housing development.

If approved, Housing Channel will be reimbursed for eligible expenses as outlined in the agreement, not to exceed \$152,617.40. The agreement begins on the day it is executed. Funds must be expended for eligible and approved expenses by September 30, 2025.

This agreement has been approved as to form by the Criminal District Attorney's Office.

XII. Conflicts of Interest

- a. Housing Channel ensures that it presently has no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder.
- b. No officer, member, or employee of Tarrant County, and no public official of the governing body of the locality or localities in which the activities set forth in this Agreement are carried out, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of these activities, shall participate in any decision relating to this Agreement which affects their personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.
- c. Tarrant County will use IDIS to administer its HOME funds. Within 10 business days of this Agreement and receipt of all appropriate documentation (e.g., copies of executed Agreement), Tarrant County will complete necessary activity set-up in IDIS. Upon receipt of appropriate documentation and after shepherding through any necessary approval processes, Tarrant County will process reimbursement request disbursements of HOME funds from its U.S. Treasury account and collect and report information on the use of HOME funds through IDIS.

XVI. Monitoring

Tarrant County will periodically monitor Housing Channel to ensure all activities funded with HOME are compliant, including all file documentation pertaining to the implementation of this Agreement. Monitoring may include audits, site visits, physical inspections, and/or interviews. Housing Channel shall fully cooperate with Tarrant County in monitoring the effectiveness of the work to be performed in compliance with the terms of this Agreement.

XVII. Corrective and Remedial Actions

Corrective or remedial actions for a performance deficiency will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence. Tarrant County and/or HUD may impose corrective or remedial actions, including potential repayment of ineligible funds, or recommend technical assistance as necessary or required.

If Housing Channel does not begin construction of affordable housing on site outlined in **Exhibit A** within 24 months of this Agreement, Housing Channel must communicate the reason for the delay to Tarrant County and request an extension in writing at least 60 calendar days before the end of the 24-month term. The extension may or may not be granted by HUD and/or Commissioners Court. If construction does not begin within 24 months and an extension has not been granted, any HOME funds that have been dispersed to Housing Channel must be paid back in full within 30 calendar days.

XVIII. Amendments

This Agreement constitutes the entire agreement between the parties, and all prior negotiations are merged into this Agreement. Any amendment, change, or addition to this Agreement shall be made only in writing and signed by both parties.

XIX. Availability of HOME Funds

No funds will be committed or available for any activities under this Agreement before the completion of the environmental review and approval of the Requests for Release of Funds and Certification (RROF/C), as applicable.

XX. Annual Fiscal Condition Precedent

The parties acknowledge and agree that Tarrant County is a governmental entity subject to an annual budgetary process and restrictions on spending in conformity with that process and its approved budget. The parties further agree that, notwithstanding any other language or provision herein to the contrary, if for any reason funds are not budgeted expressly for this agreement for Tarrant County's fiscal years subsequent to that in which funds for this Agreement are first allocated, Tarrant County may immediately and without penalty, terminate this Agreement; provided, however that in no event shall such a termination be effective earlier than the expiration of the last date for which funds have already been so allocated under an existing, finally approved budget.

XXI. Insurance

In the event of any lapse in insurance coverage, Housing Channel shall be liable for any costs, damages, or liabilities resulting from such lapse.

XXII. No Transfer

The parties to this Agreement will not sell, assign, transfer, or convey any benefits or obligations of this Agreement in whole or in part without the prior written consent of both parties. Any attempted assignment of same without approval shall be void and shall constitute a breach of this Agreement. Upon receipt of appropriate documentation and after shepherding through any necessary approval processes, Tarrant County will process reimbursement request disbursements of HOME funds from its U.S. Treasury account and collect and report information on the use of HOME funds through IDIS.

XVI. Monitoring

Tarrant County will periodically monitor Housing Channel to ensure all activities funded with HOME are compliant, including all file documentation pertaining to the implementation of this Agreement. Monitoring may include audits, site visits, physical inspections, and/or interviews. Housing Channel shall fully cooperate with Tarrant County in monitoring the effectiveness of the work to be performed in compliance with the terms of this Agreement.

XVII. Corrective and Remedial Actions

Corrective or remedial actions for a performance deficiency will be designed to prevent a continuation of the deficiency; mitigate, to the extent possible, its adverse effects or consequences; and prevent its recurrence. Tarrant County and/or HUD may impose corrective or remedial actions, including potential repayment of ineligible funds, or recommend technical assistance as necessary or required.

If Housing Channel does not begin construction of affordable housing on site outlined in **Exhibit A** within 24 months of this Agreement, Housing Channel must communicate the reason for the delay to Tarrant County and request an extension in writing at least 60 calendar days before the end of the 24-month term. The extension may or may not be granted by HUD and/or Commissioners Court. If construction does not begin within 24 months and an extension has not been granted, any HOME funds that have been dispersed to Housing Channel must be paid back in full within 30 calendar days.

XVIII. Amendments

This Agreement constitutes the entire agreement between the parties, and all prior negotiations are merged into this Agreement. Any amendment, change, or addition to this Agreement shall be made only in writing and signed by both parties.

XIX. Availability of HOME Funds

XX. Annual Fiscal Condition Precedent

The parties acknowledge and agree that Tarrant County is a governmental entity subject to an annual budgetary process and restrictions on spending in conformity with that process and its approved budget. The parties further agree that, notwithstanding any other language or provision herein to the contrary, if for any reason funds are not budgeted expressly for this agreement for Tarrant County's fiscal years subsequent to that in which funds for this Agreement are first allocated, Tarrant County may immediately and without penalty, terminate this Agreement; provided, however that in no event shall such a termination be effective earlier than the expiration of the last date for which funds have already been so allocated under an existing, finally approved budget.

XXI. Insurance

Housing Channel, at its sole cost and expense, maintain during the term of this Agreement and the period during which pre-development costs are incurred, insurance coverage in the amounts and types sufficient to cover Housing Channel's obligations under this Agreement, including but not limited to any claims, damages, liabilities, or losses arising out of pre-development activities related to this Agreement. In the event of any lapse in insurance coverage, Housing Channel shall be liable for any costs, damages, or liabilities resulting from such lapse.

XXII. No Transfer

The parties to this Agreement will not sell, assign, transfer, or convey any benefits or obligations of this Agreement in whole or in part without the prior written consent of both parties.
