**SUBJECT: BID NO. F2025014 - PURCHASE OF MOTOROLA RADIO ACCESSORIES -
INFORMATION TECHNOLOGY -MOTOROLA SOLUTIONS, INC. - PER
UNIT PRICE**

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court award Bid No. F2025014, Purchase of Motorola Radio Accessories, for Information Technology, to Motorola Solutions, Inc., at the per unit price.

BACKGROUND

Notice of the County's intent to bid was advertised in local newspapers, as required by State statute, and posted on the Internet, the Arlington Black Chamber of Commerce, the Fort Worth Hispanic Chamber of Commerce, the Fort Worth Metropolitan Black Chamber of Commerce, and the Tarrant County Asian American Chamber of Commerce. Seven hundred forty-one (741) vendors were contacted and requested to participate in this bid process. All documents pertaining to this bid were posted on the Tarrant County website and were downloaded by interested bidders. A pre-bid conference held on October 1, 2024, was attended by one (1) vendor as well as representatives from Information Technology and Purchasing. Sixteen (16) bids and six (6) no-bids were received.

Jonah's Enterprises, Inc. withdrew their bid from consideration. A&C Pro is not considered for award because they did not provide documentation that they would provide accessories compatible with existing Motorola radios as required.

The low bid received from Motorola Solutions, Inc. meets all specifications and is acceptable to Information Technology.

This purchase supports the County's radio refresh project. The County is incrementally replacing public safety radios that are no longer supported by the manufacturer and are approximately ten (10) years in age.

Therefore, it is the joint recommendation of Information Technology and Purchasing that Bid No. F2025014, Purchase of Motorola Radio Accessories, be awarded to Motorola Solutions, Inc., at the per unit price.

FISCAL IMPACT

Funding in the amount of \$125,506.65 is available in account 45400-2025 Capital Improvement Fund/1810201000 IT Network Operations and Communications/540000 Capital Outlay.
