DATE: 5/6/2025

SUBJECT: BID NO. F2025097 - ANNUAL CONTRACT FOR PURCHASE OF ADOBE LICENSES - INFORMATION TECHNOLOGY - COQUINA LABS INC. - PER UNIT PRICE

COMMISSIONERS COURT ACTION REQUESTED

It is requested that the Commissioners Court award Bid No. F2025097, Annual Contract for Purchase of Adobe Licenses, for Information Technology, to Coquina Labs Inc. at the per unit price and approve contract.

BACKGROUND

Notice of the County’s intent to bid was advertised in local newspapers, as required by State statute, and posted on the Internet, the Arlington Black Chamber of Commerce, the Fort Worth Hispanic Chamber of Commerce, the Fort Worth Metropolitan Black Chamber of Commerce, and the Tarrant County Asian American Chamber of Commerce. Eight hundred fifty-seven (857) vendors were contacted and requested to participate in this bid process. All documents pertaining to this bid were posted on the Tarrant County website and were downloaded by interested bidders. Eleven (11) bids and eight (8) no-bids were received.

4Tech Solutions LLC withdrew their bid. The low bid received from Coquina Labs Inc. meets all specifications and is acceptable to Information Technology.

The term of the contract is twelve (12) months, effective May 30, 2025, with two (2) options for renewal periods of twelve (12) months each.

This purchase is for the continuation of existing Adobe Licenses, including Acrobat Pro, Creative Cloud, Adobe Sign, Express and Firefly, and Cold Fusion, enabling departments to create, edit, and manage documents securely.

Therefore, it is the joint recommendation of Information Technology and Purchasing that Bid No. F2025097, Annual Contract for Purchase of Adobe Licenses, be awarded to Coquina Labs Inc. at the per unit price.

The contract is attached for approval and signature. The Criminal District Attorney’s Office reviewed the contract as to form.

FISCAL IMPACT

The annual license fees are \$405,856.00. Funding for year 1 is available in the following accounts:

Terms and Conditions:

- All use of the Products and Services specified above will be governed by the terms of these Customer Licensing Terms, and the version of the Adobe Enterprise Licensing Terms in effect as of the date Customer issues a purchase order to Reseller and available at www.adobe.com/legal/terms/enterprise-licensing.html, including the General Terms and the applicable Product Specific Licensing Terms ("PSLT(s)") (collectively, the "Agreement"). If there is any inconsistency between the parts of this Agreement, then the part listed earlier will prevail to the extent of the inconsistency: (i) these Customer Licensing Terms; (ii) the applicable PSLT(s); and (iii) the General Terms. Capitalized terms used in these Customer Licensing Terms have the meanings set out in applicable modules of the Adobe Enterprise Licensing Terms, unless otherwise specified.
- Adobe is not entering into a direct purchasing relationship with Customer for the Products and Services. Reseller is solely responsible for setting the terms of payment with Customer (including but not limited to when payments by Customer are due to Reseller).
- Customer may deploy the specified quantity of Products and Services identified in the Products and Services Pricing Detail within the entirety of Customer's organization. If an individual ceases to be an employee or contractor of Customer during the term of a license or no longer needs to use a Product or Service, and Customer de-installs the Product or Service from the Computer of that employee or contractor, a different employee or contractor may then use a new ID and password without being deemed an additional User.

4. For those Products and Services that are licensed for a specific quantity, Customer must submit monthly reports of any deployment of the Products and Services in excess of the quantities previously purchased using the form found at <http://www.adobe.com/go/trueup>. Such reports, along with a corresponding order, must be provided by Customer to Reseller on a monthly basis and must reflect deployments made on specified dates during the preceding monthly period.
5. Adobe will provide support services for the Products and Services as described at <https://helpx.adobe.com/support/programs/support-policies-terms-conditions.html>.
6. The License Term for the Products and Services extends for twelve months (“Base Year”) and may be renewed for up to two successive one year terms (each, an “Option Year”) for the fees set forth in the Products and Services Pricing Detail by providing Reseller 30 days prior written notice, provided that 1) the quantity of any identified licenses does not decrease and 2) if the license is for an Adobe Sign Subscription, that Customer does not process Transactions beyond the Subscription Limit during the preceding Base Year or Option Year. Any renewal of the License Term or exercise of an Option Year must reflect the quantities set forth herein. Unless the license is for an Adobe Sign Subscription, the Option Year must also include any excess quantities that were added on and/or trued up during the entire License Term and any exercised Option Years. If Customer desires to renew the License Term or exercise an Option Year with a reduction of the quantities described above, then Customer and Reseller must enter into an addendum to their agreement, which may reflect revised unit pricing. If Customer attempts to renew for an Option Year by providing notice to the Reseller less than thirty days prior to the expiration of the then current License Term, or after the expiration of the then current License Term, Adobe can decide whether or not to accept such order from its Distributor in its sole discretion. By virtue of Adobe accepting such a purchase order, the terms and conditions set forth in this Attachment A will continue to govern, including any amendments. For purchase orders submitted after the expiration of the then current License Term, Adobe will adjust the License Term Start and End Dates on the subsequent Option Year License Term only if the Customer’s access to the Products and Services was impacted by the purchase order coming in late. In such case, the License Term of the Products and Services and any applicable Support commences on the later of the date of re-activation of the Customer’s access to the Products and Services (if applicable), or the previously expected Start Date of the applicable Option Year License Term. The End Date of the License Term of the Products and Services and any applicable Support is the later of the amount of months comprising the identified License Term or the previously expected End Date of the applicable Option Year License Term.
7. Customer acknowledges and agrees that it may not assign or otherwise transfer licenses to the Products and Services to any other government or other entity without Adobe’s prior written approval.
8. By placing an order with Reseller for the Products and Services, Customer will be deemed to have accepted these Customer Licensing Terms and the applicable Adobe Enterprise Licensing Terms. Customer must also attach a copy of these Customer Licensing Terms to its corresponding purchase order to Reseller.
